Statutory auditors' review report on the first half-yearly financial information

To the Shareholders,

In compliance with the assignment entrusted to us by the shareholders' meeting and in accordance with the requirements of article L. 451-1-2 III of the French monetary and financial code (*Code monétaire et financier*), we hereby report to you on:

- the review of the accompanying condensed half-yearly consolidated financial statements of Bouygues, for the period from January 1 to June 30, 2013, and
- the verification of the information contained in the interim management report.

These condensed half-yearly consolidated financial statements are the responsibility of the board of directors. Our role is to express a conclusion on these financial statements based on our review.

1. Conclusion on the financial statements

We conducted our review in accordance with the professional standards applicable in France. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less extensive than an audit conducted in accordance with the professional standards applicable in France and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Based on our review, nothing has come to our attention that causes us to believe that these condensed half-yearly consolidated financial statements are not prepared in all material respects in accordance with IAS 34 – standard of the IFRSs as adopted by the European Union applicable to interim financial information.

2. Specific verification

We have also verified the information provided in the interim management report in respect of the condensed half-yearly consolidated financial statements subject to our review.

We have no matters to report as to its fair presentation and its consistency with the condensed half-yearly consolidated financial statements.
