## PRESS RELEASE

Boulogne, May 29, 2017

### **Two Colas Canada companies secure 300 million CAD in contracts for the construction and maintenance of the Southwest Calgary Ring Road in Alberta**

The Southwest Calgary Ring Road (SWCRR) Project, a PPP awarded to Mountain View Partners (MVP)<sup>1</sup>, involves the construction and maintenance of 31 km of 6- to 8-lane highway, 14 interchanges, 47 bridges and a tunnel.

Alberta Highway Services Ltd (AHSL), a Colas Canada company and subconsultant to the MVP consortium, has secured the maintenance contract for the section under construction. The contract, which will run up to 2051, amounts to 204 million Canadian dollars<sup>2</sup>. AHSL is renowned for its expertise, boasting 22 years of experience on a number of maintenance and winter maintenance contracts involving roads and highways throughout the province of Alberta.

Standard General Calgary, another Colas Canada company that has been a leader in road construction in the city of Calgary for more than 75 years, was contracted by the Design and Build Consortium of KGL Constructors<sup>1</sup> to manufacture and apply all the asphalt concrete required by the project, i.e., some one million tons, for a total of 95 million Canadian dollars. The work has started, with completion scheduled for October 2021.
