

DEATH OF MRS FRANCIS BOUYGUES

PRESS RELEASE

PARIS

18/10/2017

It is with very great sadness that the Bouygues group announces the death of Mrs Francis Bouygues. She played a very important role in the professional life of Francis Bouygues, and therefore in the life of the Group. She was at Francis Bouygues' side when he founded the Bouygues group in 1952 and she became a director immediately after he passed away, and remained in office for 22 years. She showed great interest in all aspects of the Group's life and provided an active contribution and support during all the major milestones of its development.

The Group, its Board of Directors, its senior management and employees would therefore like to pay her homage.
