

REPORT ON PAYMENTS MADE TO GOVERNMENTS (EXTRACTIVE INDUSTRIES)

The meeting of the Bouygues Board of Directors held on 17 February 2021 to close off the full-year financial statements also approved the text of the report on payments made to governments, prepared in accordance with Article L. 22-10-37 of the French Commercial Code.

In line with the Group's obligations regarding the publication of regulated information, that report is reproduced below.

ANNUAL REPORT ON PAYMENTS (ARTICLE L. 22-10-37 OF THE FRENCH COMMERCIAL CODE)

The table below shows amounts paid in 2020 by Colas group entities to public authorities (primarily in the form of miscellaneous taxes and levies) in connection with their aggregates extraction activities.

Commentary: Each business area should if possible preface the table with commentary about its operations. Only fully consolidated entities are required to complete the form: associates, joint ventures and non-consolidated entities are outside the scope of the report.
