The AMF only approves this Prospectus as meeting the standards of completeness, comprehensibility and consistency imposed by the Prospectus Regulation. Such approval should not be considered as an endorsement of either the Issuer or the quality of the Bonds that are the subject of this Prospectus and investors should make their own assessment as to the suitability of investing in the Bonds.

Application has been made to Euronext Paris S.A. (“**Euronext Paris**”) for the Bonds to be admitted to trading as of their Issue Date on the regulated market of Euronext Paris. Euronext Paris is a regulated market for the purposes of the Directive (EU) 2014/65, as amended.

The Bonds will be issued in dematerialised bearer form (*au porteur*) in the denomination of EUR 100,000 each. Title to the Bonds will be evidenced in accordance with Articles L.211-3 *et seq.* and R.211-1 *et seq.* of the French *Code monétaire et financier* by book-entries (*inscription en compte*). No physical document of title (including *certificats représentatifs* pursuant to Article R.211-7 of the French *Code monétaire et financier*) will be issued in respect of the Bonds.

The long-term debt of the Issuer is rated A- (negative outlook) by S&P Global Ratings (“**S&P**”) and A3 (stable outlook) by Moody’s Investors Service (“**Moody’s**”). The Bonds have been rated A- by S&P and A3 by Moody’s. S&P and Moody’s are established in the European Union and are registered under Regulation (EC) No. 1060/2009, as amended (the “**CRA Regulation**”). As such, S&P and Moody’s are included in the list of registered credit rating agencies published by the European Securities and Markets Authority on its website (www.esma.europa.eu/supervision/credit-rating-agencies/risk) in accordance with the CRA regulation. This Prospectus comprises a Prospectus for the purposes of Regulation (EU) 2017/1129 (the “**Prospectus Regulation**”) and has been prepared for the purpose of giving information with regard to the Issuer, the Issuer and its fully consolidated subsidiaries taken as a whole (the “**Group**”) and the Bonds which according to the particular nature of the Issuer and the Bonds, is necessary to enable investors to make an informed assessment of the assets and liabilities, financial position and profit and losses of the Issuer, the rights attaching to the Bonds and the reasons of the issuance and its impact on the Issuer. For this purpose, “**subsidiary**” means, with respect to any person at any particular time, any entity which is controlled by such person within the meaning of Article L.233-3 of the French *Code de commerce* (excluding any listed person in which the Issuer holds less than 33.33 per cent. of the share capital and voting rights).

In connection with the issue and sale of the Bonds, no person is authorised to give any information or to make any representation not contained (or incorporated by reference in) in this Prospectus, and neither the Issuer nor any of the Joint Lead Managers (as defined in section “**Subscription and Sale**” below) accepts responsibility for any information or representation so given that is not contained (or incorporated by reference) in this Prospectus. This Prospectus does not constitute an offer of Bonds, and may not be used for the purposes of an offer or solicitation by anyone in any jurisdiction in which such offer or solicitation is not authorised, or to any person to whom it is unlawful to make such offer or solicitation and no action is being taken to permit an offering of the Bonds or the distribution of this Prospectus in any jurisdiction where any such action is required except as specified herein.

This Prospectus is to be read in conjunction with all documents which are incorporated herein by reference (see section “**Documents Incorporated by Reference**”). This Prospectus shall be read and construed on the basis that such documents are incorporated in, and form part of, this Prospectus.

No person is authorised to give any information or to make any representation not contained in this Prospectus and any information or representation not so contained must not be relied upon as having been authorised by or on behalf of the Issuer or the Joint Lead Managers. Neither the delivery of this Prospectus nor any sale made in connection herewith shall, under any circumstances, create any implication that there has been no change in the affairs of the Issuer or the Group since the date hereof or the date upon which this Prospectus has been most recently amended or supplemented or that there has been no adverse change in the financial position of the Issuer or the Group since the date hereof or the date upon which this Prospectus has been most recently amended or supplemented or that the information contained in it or any other information supplied in connection with the Bonds is correct as of any time subsequent to the date on which it is supplied or, if different, the date indicated in the document containing the same.

Each prospective investor in the Bonds must determine, based on its own independent review and such professional advice as it deems appropriate under the circumstances, that its acquisition of the Bonds is fully consistent with its financial needs, objectives and condition, complies and is fully consistent with all investment policies, guidelines and restrictions applicable to it and is a fit, proper and suitable investment for it, notwithstanding the clear and substantial risks inherent in investing in or holding the Bonds. A prospective investor may not rely on the Issuer or the Joint Lead Managers or any of their respective affiliates in connection with its determination as to the legality of its acquisition of the Bonds or as to the other matters referred to above.

The distribution of this Prospectus and the offering of the Bonds in certain jurisdictions may be restricted by law. Persons into whose possession this Prospectus comes are required by the Issuer to inform themselves about, and to observe, any such restrictions.

Investors should inform themselves about any additional costs incurred in connection with the purchase, custody or sale of the Bonds before investing in the Bonds as this may result in losing part of their investment in the Bonds.

The Bonds have not been and will not be registered under the United States Securities Act of 1933, as amended (the “**Securities Act**”) and, subject to certain exceptions, may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons (as defined in Regulation S under the Securities Act (“**Regulation S**”)).

PRIIPS REGULATION / PROHIBITION OF SALES TO EEA RETAIL INVESTORS – The Bonds are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the European Economic Area (“**EEA**”). For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of Directive (EU) 2014/65 (as amended, “**MiFID II**”); (ii) a customer within the meaning of Directive (EU) 2016/97 (the “**Insurance Distribution Directive**”), where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II; or to qualified investors as defined in the Prospectus Regulation. Consequently, no key information document required by Regulation (EU) No. 1286/2014, as amended (the “**PRIIPs Regulation**”) for offering or selling the Bonds or otherwise making them available to retail investors in the EEA has been prepared and therefore offering or selling the Bonds or otherwise making them available to any retail investor in the EEA may be unlawful under the PRIIPs Regulation.

PRIIPS REGULATION / PROHIBITION OF SALES TO UK RETAIL INVESTORS – The Bonds are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the United Kingdom (“**UK**”). For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client, as defined in point (8) of Article 2 of Regulation (EU) No. 2017/565 as it forms part of domestic law by virtue of the European Union (Withdrawal) Act 2018 (“**EUWA**”); (ii) a customer within the meaning of the provisions of the Financial Services and Markets Act 2000, as amended (the “**FSMA**”) and any rules or regulations made under the FSMA to implement Directive (EU) 2016/97, where that customer would not qualify as a professional client, as defined in point (8) of Article 2(1) of Regulation (EU) No. 600/2014 as it forms part of domestic law by virtue of the EUWA; or (iii) to a qualified investor as defined in Article 2 of the Prospectus Regulation as it forms part of UK domestic law by virtue of the EUWA. Consequently, no key information document required by Regulation (EU) No. 1286/2014 (as amended, the “**UK PRIIPs Regulation**”) for offering or selling the Bonds or otherwise making them available to retail investors in the UK has been prepared and therefore offering or selling the Bonds or otherwise making them available to any retail investor in the UK may be unlawful under the UK PRIIPs Regulation.

MIFID II PRODUCT GOVERNANCE / PROFESSIONAL INVESTORS AND ECPS ONLY TARGET MARKET – Solely for the purposes of each manufacturer’s product approval process, the target market assessment in respect of the Bonds, taking into account the five categories referred to in item 18 of the Guidelines on MiFID II product governance requirements published by ESMA dated 5 February 2018, has led to the conclusion that: (i) the target market for the Bonds is eligible counterparties and professional clients only, each as defined in MiFID II; and (ii) all channels for distribution of the Bonds to eligible counterparties and professional clients are appropriate. Any person subsequently offering, selling or recommending the Bonds (a “**Distributor**”) should take into consideration the manufacturers’ target market assessment; however, a Distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Bonds (by either adopting or refining the manufacturers’ target market assessment) and determining appropriate distribution channels.

Singapore SFA Product Classification – In connection with Section 309B of the Securities and Futures Act (Chapter 289) of Singapore (the “**SFA**”) and the Securities and Futures (Capital Markets Products) Regulations 2018 of Singapore (the “**CMP Regulations 2018**”), the Issuer has determined, and hereby notifies all relevant

persons (as defined in Section 309A(1) of the SFA), that the Bonds are “prescribed capital markets products” (as defined in the CMP Regulations 2018) and Excluded Investment Products (as defined in MAS Notice SFA 04-N12: Notice on the Sale of Investment Products and MAS Notice FAA-N16: Notice on Recommendations on Investment Products).

Suitability of investment in the Bonds

The Bonds may not be a suitable investment for all investors. Each potential investor in the Bonds must determine the suitability of that investment in light of its own circumstances. In particular, each potential investor should:

- (a) have sufficient knowledge and experience to make a meaningful evaluation of the Bonds, the merits and risks of investing in the Bonds and the information contained or incorporated by reference in this Prospectus or any applicable supplement;
- (b) have access to, and knowledge of, appropriate analytical tools to evaluate, in the context of its particular financial situation, an investment in the Bonds and the impact the Bonds will have on its overall investment portfolio;
- (c) have sufficient financial resources and liquidity to bear all of the risks of an investment in the Bonds, including where the currency for principal or interest payments is different from the potential investor's currency or where the currency for principal or interest payments is different from the currency in which such potential investor’s financial activities are principally denominated;
- (d) understand thoroughly the terms of the Bonds and be familiar with the behaviour of any relevant financial markets; and
- (e) be able to evaluate (either alone or with the help of a financial adviser) possible scenarios for economic, interest rate and other factors that may affect its investment and its ability to bear the applicable risks.

Consideration relating to credit rating of the Bonds

The rating assigned to the Bonds by each rating agency is based on the Issuer’s financial situation but takes into account other relevant structural features of the transaction, including, *inter alia*, the terms of the Bonds, and reflects only the views of such rating agency. A rating may not reflect the potential impact of all risks related to structure, market, additional factors discussed in this paragraph, and other factors that may affect the value of the Bonds. The rating addresses the likelihood of full and timely payment to the Bondholders of all payments of interest on each interest payment date and repayment of principal on the final payment date. There is no assurance that any such rating will continue for any period of time or that they will not be reviewed, revised, suspended or withdrawn entirely by the rating agency as a result of changes in or unavailability of information or if, in the rating agency’s judgement, circumstances so warrant. A credit rating and/or a corporate rating are not a recommendation to buy, sell or hold securities. Any adverse change in an applicable credit rating could adversely affect the trading price for the Bonds.

A further description of certain restrictions on offers and sales of the Bonds in the United States and in certain other jurisdictions, is set forth below under “Subscription and Sale”.

RISK FACTORS

The following are certain risk factors of the offering of the Bonds of which prospective investors should be aware. The Issuer believes that the following factors may affect its ability to fulfil its obligations under the Bonds. All of these factors are contingencies which may or may not occur. Factors which the Issuer believes may be material for the purpose of assessing the market risks associated with Bonds are also described below. The Issuer believes that the factors described below represent the principal risks inherent in investing in Bonds, but the inability of the Issuer to pay interest, principal or other amounts on or in connection with any Bonds may occur for other reasons. Prospective investors should make their own independent evaluations of all risk factors and should also read the detailed information set out elsewhere in this Prospectus (including any documents incorporated by reference herein) and reach their own views prior to making any investment decision.

The terms defined in “Terms and Conditions of the Bonds” shall have the same meaning when used below.

1. Risks related to the Issuer and its business

The risks relating to the Issuer and its business are set out on pages 156 to 159 of the 2020 Universal Registration Document (as defined in section “Documents Incorporated by Reference”) and include the following:

- Risk factors relating to construction businesses;
- Risk factors relating to media;
- Risk factors relating to telecoms; and
- Risk factors relating to Bouygues SA and the Group.

2. Risks related to the Bonds

2.1 Risks relating to particular features of the Bonds

Credit risk

As contemplated by Condition 2 of the Terms and Conditions of the Bonds, the Bonds constitute direct, unconditional, unsubordinated and (subject to the provisions of Condition 3 of the Terms and Conditions of the Bonds) unsecured obligations of the Issuer. However, an investment in the Bonds involves taking credit risk on the Issuer. If the creditworthiness of the Issuer deteriorates and notwithstanding Condition 8 of the Terms and Conditions of the Bonds which enable the investors to request through the Representative of the *Masse* the redemption of the Bonds, it may not be able to fulfil all or part of its payment obligations under the Bonds, which could materially and negatively impact the Bondholders and investors may lose all or part of their investment.

The Bonds may be redeemed prior to maturity

In the event that the Issuer would be obliged to pay additional amounts payable in respect of any Bonds due to any withholding as provided in Condition 5(b) of the Terms and Conditions of the Bonds, the Issuer may, and in certain circumstances shall, redeem all outstanding Bonds in accordance with such Condition.

In addition, the Issuer may, at its option (i) redeem, in whole or in part, the then outstanding Bonds at any time, or from time to time, prior to 11 November 2029, at the relevant make whole redemption amount, as provided in Condition 5(c) of the Terms and Conditions of the Bonds and (ii) from, and including, 11 November 2029 to, but excluding, the Maturity Date, redeem the Bonds outstanding on

any such date, in whole or in part, at their principal amount plus accrued interest, as provided in Condition 5(e) of the Terms and Conditions of the Bonds.

Furthermore, if 80 per cent. or more in initial aggregate nominal amount of the Bonds have been redeemed or purchased and cancelled, the Issuer will have the option to redeem, at any time prior to the Maturity Date, all of the outstanding Bonds at their principal amount plus accrued interest as provided in Condition 5(d) of the Terms and Conditions of the Bonds. In particular, there is no obligation for the Issuer to inform investors if and when this percentage has been reached or is about to be reached, and the Issuer's right to redeem will exist notwithstanding that immediately prior to the serving of a notice in respect of the exercise of this option, the Bonds may have been trading significantly above par, thus potentially resulting in a loss of capital invested.

The Issuer may choose to redeem the Bonds in accordance with Conditions 5(c), 5(d) and 5(e) of the Terms and Conditions of the Bonds at times when prevailing interest rates may be relatively low. During a period when the Issuer may elect, or has elected, to redeem Bonds, such Bonds may feature a market value not substantially above the price at which they can be redeemed. In such circumstances an investor may not be able to reinvest the redemption proceeds in a comparable security at an effective interest rate as high as that of the relevant Bonds.

As a consequence, part of the capital invested by the Bondholder may be lost, so that the Bondholder in such case would not receive the total amount of the capital invested. However, the redeemed face amount of the Bonds may not be below par. In addition, investors that choose to reinvest monies they receive through an early redemption may be able to do so only in securities with a lower yield than such redeemed Bonds.

Change of Control - Put Event

Upon the occurrence of a Put Event further to a Change of Control of the Issuer (as more fully described in Condition 7 of the Terms and Conditions of the Bonds), each Bondholder will have the right to request the Issuer to redeem or procure the purchase of all or part of its Bonds at their principal amount together with any accrued interest. In such case, any trading market in respect of those Bonds in respect of which such redemption right is not exercised may become illiquid. In addition, investors may not be able to reinvest the moneys they receive upon such early redemption in securities with the same yield as the redeemed Bonds. Should the above risks ever materialise, Bondholders could lose a significant part of their investment in the Bonds.

Purchases by the Issuer in the open market or otherwise (including by tender offer) in respect of certain Bonds may affect the liquidity of the Bonds which have not been so purchased

Depending on the number of Bonds purchased by the Issuer as provided in Condition 5(g) of the Terms and Conditions of the Bonds, any trading market in respect of the Bonds that have not been so purchased may become illiquid and, as a consequence, Bondholders may not be able to sell their Bonds and therefore lose part of their investment in the Bonds.

A Bondholder's actual yield on the Bonds may be reduced from the stated yield by transaction costs

The yield of the Bonds is 0.528 per cent. *per annum* and is calculated at the Issue Date. However, when Bonds are purchased or sold, several types of incidental costs (including transaction fees and commissions) are incurred in addition to the current price of the security. These incidental costs may significantly reduce or even exclude the profit potential of the Bonds. For instance, credit institutions as a rule charge their clients for own commissions which are either fixed minimum commissions or pro-rata commissions depending on the order value. To the extent that additional – domestic or foreign –

parties are involved in the execution of an order, including but not limited to domestic dealers or brokers in foreign markets, Bondholders must take into account that they may also be charged for the brokerage fees, commissions and other fees and expenses of such parties (third party costs). In addition to such costs directly related to the purchase of securities (direct costs), Bondholders must also take into account any follow-up costs (such as custody fees).

Interest rate risks

As provided for in Condition 4 of the Terms and Conditions of the Bonds, each Bond bears interest from, and including, 3 November 2021 at the annual rate of 0.500 per cent. *per annum*, which involves the risk that subsequent changes in market interest rates may adversely affect the value of the Bonds. Generally, prices of fixed interest rate notes tend to fall when market interest rates rise and accordingly are subject to volatility. Therefore, the price of the Bonds at any particular time may be lower than the purchase price for the Bonds paid by the Bondholders and may cause Bondholders to lose a portion of the capital invested if they decide to sell their Bonds.

2.2 Risks for the Bondholders as creditors of the Issuer

French insolvency law

The Issuer is a *société anonyme* with its corporate seat in France. In the event that the Issuer becomes insolvent, insolvency proceedings will be generally governed by the insolvency laws of France to the extent that, where applicable, the “centre of main interests” (as construed under Regulation (EU) 2015/848, as amended) of the Issuer is located in France.

The Directive (EU) 2019/1023 on preventive restructuring frameworks, on discharge of debt and disqualifications, and on measures to increase the efficiency of procedures concerning restructuring, insolvency and discharge of debt, and amending Directive (EU) 2017/1132 has been transposed into French law by the *Ordonnance* 2021-1193 dated 15 September 2021. Such *ordonnance*, applicable as from 1st October 2021, amend French insolvency laws notably with regard to the process of adoption of restructuring plans under insolvency proceedings. According to this *ordonnance*, “affected parties” (including notably creditors, and therefore the Bondholders) shall be treated in separate classes which reflect certain class formation criteria for the purpose of adopting a restructuring plan. Classes shall be formed in such a way that each class comprises claims or interests with rights that reflect a sufficient commonality of interest based on verifiable criteria. Bondholders will no longer deliberate on the proposed restructuring plan in a separate assembly, meaning that they will no longer benefit from a specific veto power on this plan. Instead, as any other affected parties, the Bondholders will be grouped into one or several classes (with potentially other types of creditors) and their dissenting vote may possibly be overridden by a cross-class cram down.

The commencement of insolvency proceedings against the Issuer would have a material adverse effect on the market value of Bonds issued by the Issuer. Despite the fact that any decisions taken by a class of affected parties, could negatively and significantly impact the Bondholders and cause them to lose all or part of their investment, should they not be able to recover all or part of the amounts due to them from the Issuer.

Modification of the Terms and Conditions of the Bonds and waivers

Condition 10 of the Terms and Conditions of the Bonds contain provisions for calling meetings of Bondholders through General Meeting or the seeking of Written Consultations to consider matters affecting their interests generally. These provisions permit defined majorities to bind all Bondholders including Bondholders who did not attend and vote at the relevant meeting and Bondholders who voted in a manner contrary to the majority. General Assemblies or Written Resolutions may deliberate on

proposals relating to the modification of the Terms and Conditions of the Bonds subject to the limitation provided by French law. If a decision is adopted by a majority of Bondholders and such modifications were to impair or limit the rights of the Bondholders, this may have an impact on the market value of the Bonds and hence Bondholders may lose part of their investment.

2.3 Risks relating to the market

No active secondary or trading market for the Bonds

Application has been made for the Bonds to be admitted to trading on Euronext Paris as from the Issue Date.

An active trading market for the Bonds may not develop and, if one does develop, it may not be maintained. If an active trading market for the Bonds does not develop or is not maintained, the market or trading price and liquidity of the Bonds may be adversely affected. Therefore, investors may not be able to sell their Bonds in the secondary market in which case the market or trading price and liquidity may be adversely affected or at prices that will provide them with a yield comparable to similar investments that have a developed secondary market and Bondholders could lose a significant part of their investments in the Bonds.

Market value of the Bonds

The Bonds have been rated A- by S&P and A3 by Moody's. The market value of the Bonds will be influenced by the creditworthiness of the Issuer and a number of additional factors, including, but not limited to, market interest and yield rates and the time remaining to the maturity date. The value of the Bonds depends on a number of interrelated factors, including economic, financial and political events in France or elsewhere, including factors affecting capital markets generally and the stock exchanges on which the Bonds are traded. The price at which a holder of Bonds will be able to sell the Bonds prior to maturity may be at a discount, which could be substantial, from the issue price or the purchase price paid by such purchaser.

Change of Law

As contemplated by Condition 14 of the Terms and Conditions of the Bonds, the Bonds are based on French law in effect as at the date of this Prospectus. Any possible judicial or administrative decision or change to French law or administrative practice may occur after the date of this Prospectus. Any such decision or change in law could be unfavourable to the Bondholders' rights and may have a negative impact on the market value of the Bonds.

Exchange rate risks and exchange controls

The Issuer will pay principal and interest on the Bonds in Euro in accordance with Condition 4 and Condition 6 of the Terms and Conditions of the Bonds. This presents certain risks relating to currency conversions if an investor's financial activities are denominated principally in a currency or currency unit (the "**Investor's Currency**") other than Euro. These include the risk that exchange rates may change significantly (including changes due to devaluation of Euro or revaluation of the Investor's Currency) and the risk that authorities with jurisdiction over the Investor's Currency may impose or modify exchange controls. An appreciation in the value of the Investor's Currency relative to the Euro would decrease (i) the Investor's Currency-equivalent yield on the Bonds, (ii) the Investor's Currency-equivalent value of the principal payable on the Bonds and (iii) the Investor's Currency-equivalent market value of the Bonds.

Government and monetary authorities may impose (as some have done in the past) exchange controls that could adversely affect an applicable exchange rate. As a result, investors may receive less interest or principal than expected, or no interest or principal.

Potential Conflict of Interest

All or some of the Joint Lead Managers and, as the case may be, the Calculation Agent and their respective affiliates (including their parent companies) have and/or may in the future engage, in investment banking, commercial banking and/or other financial advisory and commercial dealings with the Issuer and its affiliates and in relation to securities issued by any entity of the Group. They have or may, in the ordinary course of their business, (i) engage in investment banking, trading or hedging activities including activities that may include prime brokerage business, financing transactions or entry into derivative transactions, (ii) act as underwriters in connection with offering of shares or other securities issued by any entity of the Group or (iii) act as financial advisers to the Issuer or other companies of the Group. In the context of these transactions, certain of such Joint Lead Managers have or may hold shares or other securities issued by entities of the Group. Where applicable, they have or will receive customary fees and commissions for these transactions.

Each of the Issuer and the Joint Lead Manager(s) may from time to time be engaged in transactions involving an index or related derivatives which may affect the market price, liquidity or value of the Bonds and which could be deemed to be adverse to the interests of the Bondholders.

Potential conflicts of interest may arise between the Calculation Agent, if any, and the Bondholders (including where a Joint Lead Manager acts as Calculation Agent), including with respect to certain discretionary determinations and judgements that such Calculation Agent may make pursuant to the Terms and Conditions of the Bonds that may influence the amount receivable upon redemption of the Bonds. In particular, whilst a Calculation Agent will, as the case may be, have information barriers and procedures in place to manage conflicts of interest, it may in its other banking activities from time to time be engaged in transactions involving an index or related derivatives which may affect amounts receivable by Bondholders during the term and on the maturity of the Bonds or the market price, liquidity or value of the Bonds and which could be deemed to be adverse to the interests of the Bondholders.

TERMS AND CONDITIONS OF THE BONDS

The issue of the EUR 800,000,000 0.500 per cent. Bonds due February 2030 (the “**Bonds**”) of Bouygues (the “**Issuer**”) has been authorised pursuant to a decision of the Deputy Chief Executive Officer (*Directeur général délégué*) of the Issuer dated 27 October 2021 acting pursuant to a resolution of the Board of Directors (*Conseil d’administration*) of the Issuer dated 17 February 2021. A fiscal agency agreement dated 29 October 2021 (the “**Fiscal Agency Agreement**”) has been agreed between the Issuer, Société Générale as fiscal agent, calculation agent and principal paying agent (the “**Fiscal Agent**”, the “**Calculation Agent**”, each of which expression shall, where the context so admits, include any successor for the time being as Fiscal Agent or Calculation Agent, as the case may be) and the other paying agents named therein (together, the “**Paying Agents**”, which expression shall, where the context so admits, include the Fiscal Agent and any successors for the time being of the Paying Agents or any additional paying agents appointed thereunder from time to time). Reference below to the “**Agents**” shall be to the Fiscal Agent and/or the Paying Agents, as the case may be. Copies of the Fiscal Agency Agreement are available for inspection at the specified offices of the Paying Agents.

References below to “**Conditions**” are, unless the context otherwise requires, to the numbered paragraphs below.

1 Form, Denomination and Title

The Bonds are issued in bearer form in the denomination of EUR 100,000 each. Title to the Bonds will be evidenced in accordance with Articles L.211-3 and R.211-1 of the French *Code monétaire et financier* by book-entries (*dématérialisation*). No physical document of title (including *certificats représentatifs* pursuant to Article R.211-7 of the French *Code monétaire et financier*) will be issued in respect of the Bonds.

The Bonds will, upon issue, be inscribed in the books of Euroclear France which shall credit the accounts of the Account Holders. For the purpose of these Conditions, “**Account Holders**” shall mean any financial intermediary institution entitled to hold accounts, directly or indirectly, on behalf of its customers with Euroclear France, and includes Euroclear Bank S.A./N.V. (“**Euroclear**”) and the depositary bank for Clearstream Banking, S.A. (“**Clearstream**”).

Title to the Bonds shall be evidenced by entries in the books of Account Holders and will pass upon, and transfer of Bonds may only be effected through, registration of the transfer in such books.

2 Status of the Bonds

The Bonds constitute direct, unconditional, unsubordinated and unsecured obligations of the Issuer and rank and will rank *pari passu* without any preference among themselves and (subject to such exceptions as are from time to time mandatory under French law) equally and rateably with all other present or future unsecured and unsubordinated obligations of the Issuer.

3 Negative Pledge

So long as any of the Bonds remains outstanding (as defined below), the Issuer undertakes that it will not create or permit to subsist or to become effective any mortgage, lien, charge, pledge or other form of security interest (*sûreté réelle*) upon the whole or any part of its undertaking and any of its assets or revenues, present or future, to secure any Relevant Debt (as defined below) of the Issuer or a guarantee (including by way of joint liability) in respect of any Relevant Debt of others unless, at the same time or prior thereto, the Issuer's obligations under the Bonds are equally and rateably secured thereby or by such security interest as may be approved by the general assembly of the *Masse* (as defined below).

“**Relevant Debt**” means any present or future indebtedness for borrowed money which is in the form of, or represented by, debt securities (*titres de créance* within the meaning of Articles L.211-1, II, 2 and L.213-1 of the French *Code monétaire et financier*, including *titres* giving the right to receive (through conversion,

exchange, subscription or otherwise) equity securities or equivalent debt instruments issued under any law other than French law) which are for the time being, or capable of being, quoted, listed, or ordinarily dealt in on any stock exchange, over-the-counter market or other securities market.

“**outstanding**” means, in relation to the Bonds, all the Bonds issued other than: (a) those which have been redeemed in accordance with the Conditions, (b) those in respect of which the date for redemption in accordance with the Conditions has occurred and the redemption moneys (including all interest accrued on such Bonds to the date for such redemption and any interest payable under Condition 4 after such date) have been duly paid to the Fiscal Agent, (c) those which have been purchased and cancelled as provided in Condition 5 and (d) those claims in respect of which have become prescribed under Condition 12.

4 Interest

Each Bond bears interest from, and including, 3 November 2021 (the “**Interest Commencement Date**”) to, but excluding, 11 February 2030 at the annual rate of 0.500 per cent., payable annually in arrear on 11 February in each year (each an “**Interest Payment Date**”), commencing on 11 February 2023. Exceptionally, there will be a long first coupon of an amount of EUR 636.99 per Bond of EUR 100,000 denomination, in respect of the first interest period, from and including, 3 November 2021 to, but excluding, 11 February 2023.

Each Bond will cease to bear interest from the due date for redemption unless payment of principal is improperly withheld or refused. In such event it shall continue to bear interest at the rate of 0.500 per cent. *per annum* until whichever is the earlier of (i) the day on which all sums due in respect of such Bond up to that day are received by or on behalf of the relevant holder on the Bonds, and (ii) the day after the Fiscal Agent has notified the holders of the Bonds (the “**Bondholders**”) of receipt of all sums due in respect of all the Bonds up to that day (except to the extent that there is failure in the subsequent payment to the relevant Bondholder under these Conditions).

Interest will be calculated on an Actual/Actual (ICMA) basis. Where interest is to be calculated in respect of a period which is equal to or shorter than an Interest Period (as defined below), it shall be calculated on the basis of the number of days elapsed in the relevant period, from and including the date from which interest begins to accrue to but excluding the date on which it falls due, divided by the number of days in the Interest Period in which the relevant period falls (including the first such day but excluding the last).

For the purpose of this Condition 4, “**Interest Period**” means the period beginning on, and including, the Interest Commencement Date and ending on, but excluding, the first Interest Payment Date and each successive period beginning on, and including, an Interest Payment Date and ending on, but excluding, the next succeeding Interest Payment Date.

5 Redemption and Purchase

The Bonds may not be redeemed otherwise than in accordance with this Condition 5 and with Condition 7.

(a) Final Redemption

Unless previously redeemed or purchased and cancelled as provided below or in Condition 7, the Bonds will be redeemed in full at par by the Issuer on 11 February 2030 (the “**Maturity Date**”).

(b) Redemption for Taxation Reasons

(A) If, by reason of any change in French law, or any change in the official application or interpretation of such law, becoming effective after 3 November 2021 (the “**Issue Date**”), the Issuer would, on the occasion of the next payment of principal or interest due in respect of the Bonds, not be able to make such payment without having to pay additional amounts as specified under Condition 8 below, the Issuer may at any time, subject to having given not more than 45

nor less than 30 calendar days' notice to the Bondholders (which notice shall be irrevocable), in accordance with Condition 11, redeem all, but not some only, of the Bonds at their principal amount together with any interest accrued to the date set for redemption provided that the due date for redemption of which notice hereunder may be given shall be no earlier than the latest practicable date on which the Issuer could make payment of principal and interest without withholding for French taxes.

- (B) If the Issuer would on the occasion of the next payment in respect of the Bonds be prevented by French law from making payment to the Bondholders of the full amount then due and payable, notwithstanding the undertaking to pay additional amounts contained in Condition 8 below, then the Issuer shall forthwith give notice of such fact to the Fiscal Agent and shall forthwith redeem all, but not some only, of the Bonds then outstanding at their principal amount plus any accrued interest thereon upon giving not less than seven nor more than 30 calendar days' prior notice to the Bondholders (which notice shall be irrevocable) in accordance with Condition 11, provided that the due date for redemption of which notice hereunder shall be given shall be the latest practicable date on which the Issuer could make payment of principal and interest without withholding for French taxes or, if such date is past, as soon as practicable thereafter.

(c) **Make Whole Redemption by the Issuer**

The Issuer may at its option, subject to compliance by the Issuer with all relevant laws, regulations and directives and having given not less than 15 nor more than 30 calendar days' notice in accordance with Condition 11 to the Bondholders, redeem the Bonds, in whole or in part, at any time or from time to time, prior to 11 November 2029 (the "**Optional Make Whole Redemption Date**") at their Optional Redemption Amount (as defined below).

The "**Optional Redemption Amount**" will be calculated by the Calculation Agent and will be an amount in Euro rounded to the nearest cent (half a cent being rounded upwards) being the greater of (x) one hundred (100) per cent. of the Principal Amount (as defined below) of the Bonds so redeemed and, (y) the sum of the then present values of the remaining scheduled payments of principal and interest on such Bonds to, and including, 11 November 2029 (assuming for this purpose that accrued interest to, but excluding, such date would be payable on such date) (determined on the basis of the interest applicable to such Bond) (excluding any interest accrued on the Bonds to, but excluding, the relevant Optional Make Whole Redemption Date)) discounted to the relevant Optional Make Whole Redemption Date on an annual basis (Actual/Actual ICMA) at the Early Redemption Rate plus an Early Redemption Margin, plus in each case (x) or (y) above, any interest accrued on the Bonds to, but excluding the Optional Make Whole Redemption Date.

The determination of any rate or amount, the obtaining of each quotation and the making of each determination or calculation by the Calculation Agent shall (in the absence of manifest error) be final and binding upon all parties. The Calculation Agent shall act as an independent expert and not as agent for the Issuer or the Bondholders.

"**Early Redemption Margin**" means +0.15 per cent. *per annum*.

"**Early Redemption Rate**" means the average of the four quotations given by the Reference Dealers of the mid-market annual yield to maturity of the Reference Benchmark Security on the fourth business day in Paris preceding the Optional Make Whole Redemption Date at 11.00 a.m. (Central European time ("**CET**")).

If the Reference Benchmark Security is no longer outstanding, a Similar Security will be chosen by the Calculation Agent after prior consultation with the Issuer at 11.00 (CET) on the fourth business day in

Paris preceding the Optional Make Whole Redemption Date, quoted in writing by the Calculation Agent to the Issuer.

“**Principal Amount**” means EUR 100,000.

“**Reference Benchmark Security**” means the German government bond bearing interest at a rate of 0.000 per cent. *per annum* and maturing on February 2030 with ISIN DE0001102499.

“**Reference Dealers**” means each of the four banks (that may include the Joint Lead Managers) selected by the Calculation Agent which are primary European government security dealers, and their respective successors, or market makers in pricing corporate bond issues.

“**Similar Security**” means a reference bond or reference bonds issued by the German Government having an actual or interpolated maturity comparable with the remaining term of the Bonds that would be utilised, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities of comparable maturity to the remaining term of the Bonds.

(d) Clean-Up Call Option

Provided that the Issuer has not previously redeemed the Bonds in accordance with Condition 5(c), in the event that 80 per cent. or more in initial aggregate nominal amount of the Bonds (including any further bonds to be assimilated with the Bonds pursuant to Condition 13) have been redeemed or purchased and cancelled, the Issuer may, at its option and at any time prior to the Maturity Date, subject to having given not more than 45 nor less than 15 calendar days’ prior notice to the Bondholders in accordance with Condition 11 (which notice shall be irrevocable), redeem the outstanding Bonds, in whole but not in part, at their principal amount plus accrued interest up to but excluding the date fixed for redemption.

(e) Pre-Maturity Call Option

Provided that the Issuer has not previously redeemed the Bonds in accordance with Condition 5(c), the Issuer may, at its option, from, and including, 11 November 2029 to, but excluding, the Maturity Date, subject to having given not more than 45 nor less than 15 calendar days’ prior notice to the Bondholders in accordance with Condition 11 (which notice shall be irrevocable), redeem the outstanding Bonds, in whole or in part, at their principal amount plus accrued interest up to but excluding the date fixed for redemption.

(f) Partial Redemption

If the Issuer decides to redeem the Bonds in part as set out in Conditions 5(c) and 5(e), such partial redemption may be effected by reducing the nominal amount of all such Bonds in proportion to the aggregate nominal amount redeemed subject to compliance with any applicable laws and regulated market or stock exchange requirements.

So long as the Bonds are admitted to trading on Euronext Paris and the rules of that stock exchange so require, the Issuer shall, each year in which there has been a partial redemption of the Bonds, cause to be published in accordance with Articles 221-3 and 221-4 of the General Regulations (*Règlement Général*) of the *Autorité des marchés financiers*, a notice specifying the aggregate nominal amount of Bonds outstanding.

(g) Purchases

The Issuer may at any time purchase Bonds in the open market or otherwise at any price. Any Bonds so purchased by the Issuer may be (i) held and resold for the purpose of enhancing the liquidity of the

Bonds in accordance with applicable French laws and regulations or (ii) cancelled in accordance with Condition 5(h).

(h) Cancellation

All Bonds which are redeemed or purchased by or on behalf of the Issuer for cancellation pursuant to this Condition will forthwith be cancelled and accordingly may not be reissued or resold.

6 Payments

(a) Method of Payment

Payments of principal and interest in respect of the Bonds will be made in euro by credit or transfer to a euro-denominated account (or any other account to which euro may be credited or transferred) specified by the payee in a city which banks have access to the TARGET2 System. “**TARGET2 System**” means the Trans-European Automated Real-Time Gross Settlement Express Transfer (TARGET2) System, or any successor thereto.

Such payments shall be made for the benefit of the Bondholders to the Account Holders (including Euroclear or the depositary bank for Clearstream).

Payments of principal and interest on the Bonds will be subject in all cases to any fiscal or other laws and regulations applicable thereto, but without prejudice to the provisions of Condition 8.

(b) Payments on Business Days

If any due date for payment of principal or interest or any other amount in respect of any Bond is not a Business Day, then the holder thereof shall not be entitled to payment of the amount due until the next following day which is a Business Day and the holder shall not be entitled to any interest or other sums in respect of such postponed payment.

In these Conditions “**Business Day**” means a day (other than Saturday or Sunday) on which (i) Euroclear France, Euroclear and Clearstream are open for business, and (ii) the TARGET2 System is operating.

(c) Fiscal Agent, Calculation Agent and Paying Agents

The name and specified office of the initial Fiscal Agent, Calculation Agent and Principal Paying Agent is as follows:

7 Change of Control

If at any time while any Bond remains outstanding there occurs a Change of Control and within the Change of Control Period a Rating Downgrade occurs as a result of that Change of Control or as a result of a Potential Change of Control (a “**Put Event**”), the holder of each Bond will have the option (the “**Put Option**”) (unless, prior to the giving of the Put Event Notice (as defined below), the Issuer gives notice of its intention to redeem

the Bonds under Condition 5(b), (c), (d) or (e)) to require the Issuer to redeem or, at the Issuer's option, to procure the purchase of that Bond on the Optional Redemption Date (as defined below) at its principal amount together with (or, where purchased, together with an amount equal to) accrued interest to but excluding the Optional Redemption Date.

A “**Change of Control**” shall be deemed to have occurred at each time that any person or persons acting in concert (other than a Permitted Holding Company (as defined below) acting alone or in concert) come(s) to own or acquire(s) such number of the shares in the capital of the Issuer carrying more than 50 per cent. of the voting rights normally exercisable at a general meeting of the Issuer. “**Permitted Holding Company**” means each and any company or other legal entity whose share capital (or equivalent) and associated voting rights are controlled by Martin Bouygues and/or Olivier Bouygues and/or any of their respective heirs, successors and/or beneficiaries through which any or all such persons at any time hold directly or indirectly shares in the capital of the Issuer.

“**Change of Control Period**” means:

- (i) the period commencing on the date of the first public announcement of the result (*avis de résultat*) by the *Autorité des marchés financiers* (the “**AMF**”) of the relevant Change of Control and ending on the date which is 90 calendar days thereafter (inclusive) provided that (a) a Rating Downgrade occurs during that period and (b) such Rating Downgrade results from a Change of Control; or
- (ii) the period commencing 180 calendar days prior to the date of the first public announcement of the result (*avis de résultat*) by the AMF of the relevant Change of Control and ending on the date of such announcement (inclusive) provided that (a) a Rating Downgrade occurs during that period and (b) such Rating Downgrade results from a Potential Change of Control.

“**Rating Agency**” means any of the following: S&P Global Ratings, Moody’s Investors Service, or any other rating agency of equivalent international standing requested from time to time by the Issuer to grant a rating to the Bonds and, in each case, their respective successors or affiliates.

A “**Rating Downgrade**” shall be deemed to have occurred in respect of a Change of Control or in respect of a Potential Change of Control if within the Change of Control Period the rating previously assigned to the Bonds by any Rating Agency is (x) withdrawn or (y) changed from an investment grade rating (BBB-, or its respective equivalents for the time being, or better) to a non-investment grade rating (BB+, or their respective equivalents for the time being, or worse) or (z) if the rating previously assigned to the Bonds by any Rating Agency was below an investment grade rating (as described above), lowered by at least one full rating notch (for example, from BB+ to BB or their respective equivalents), provided that (i) a Rating Downgrade otherwise arising by virtue of a particular change in rating shall be deemed not to have occurred in respect of a particular Change of Control or Potential Change of Control, as the case may be, if the Rating Agency making the change in rating does not publicly announce or publicly confirm that the reduction was the result of the Change of Control or the Potential Change of Control, as the case may be, and (ii) any Rating Downgrade has to be confirmed in a letter, or other form of written communication, sent to the Issuer and publicly disclosed.

“**Potential Change of Control**” means any public announcement or statement by the Issuer, any actual or potential bidder relating to any potential Change of Control of the Issuer.

Promptly upon the Issuer becoming aware that a Put Event has occurred, the Issuer shall give notice (a “**Put Event Notice**”) to the Bondholders in accordance with Condition 11 specifying the nature of the Put Event and the circumstances giving rise to it and the procedure for exercising the Put Option contained in this Condition 7.

To exercise the Put Option to require redemption or, as the case may be, purchase of a Bond under this Condition 7, the holder of that Bond must transfer or cause to be transferred by its Account Holder its Bonds to be so redeemed or purchased to the account of the Fiscal Agent specified in the Put Option Notice for the

account of the Issuer within the period (the “**Put Period**”) of 45 calendar days after the Put Event Notice is given together with a duly signed and completed notice of exercise in the form (for the time being current) obtainable from the specified office of any Paying Agent (a “**Put Option Notice**”) and in which the holder may specify a bank account to which payment is to be made under this Condition 7.

The Issuer shall redeem or, at the option of the Issuer procure the purchase of, the Bonds in respect of which the Put Option has been validly exercised as provided above, and subject to the transfer of such Bonds the account of the Fiscal Agent for the account of the Issuer as described above on the date which is the fifth Business Day following the end of the Put Period (the “**Optional Redemption Date**”). Payment in respect of any Bond so transferred will be made in euros to the holder to the specified euros-denominated bank account in the Put Option Notice on the Optional Redemption Date via the relevant Account Holders.

8 Taxation

(a) Tax Exemption for Bonds

All payments of principal, interest and other revenues by or on behalf of the Issuer in respect of the Bonds shall be made free and clear of, and without withholding or deduction for, any taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by or within France or any authority therein or thereof having power to tax, unless such withholding or deduction is required by law.

(b) Additional Amounts

If French law should require that payments of principal, interest and other revenues in respect of any Bond be subject to deduction or withholding in respect of any present or future taxes, duties, assessments or other governmental charges of whatever nature imposed or levied by or on behalf of the French Republic or any authority therein or thereof having power to tax, the Issuer shall, to the fullest extent then permitted by law, pay such additional amounts as may be necessary in order that the holder of each Bond, after such deduction or withholding, will receive the full amount then due and payable thereon in the absence of such withholding, except that no such additional amounts shall be payable with respect to any Bond to, or on behalf of, a holder (or beneficial owner (*ayant droit*)) who is subject to such taxes, duties, assessments or governmental charges in respect of such Bond by reason of his having some connection with the French Republic other than the mere holding of such Bond.

Any references in these Conditions to principal and interest in respect of the Bonds shall be deemed also to refer to any additional amounts which may be payable under the provisions of this Condition 8(b).

9 Events of Default

If any of the following events (each, an “**Event of Default**”) occurs:

- (a) any amount of principal of, or interest on, any Bond is not paid on the due date thereof and such default is not remedied within a period of 15 calendar days from such due date; or
- (b) any other obligation of the Issuer under the Bonds is not complied with or performed within the period of 30 calendar days after receipt by the Fiscal Agent and the Issuer of written notice of such default given by the Representative (as defined in Condition 10 below); or
- (c) in the event of default by the Issuer in the payment of the principal, interest or premium in respect of any Relevant Debt (as defined in Condition 3) or in respect of any guarantee by the Issuer of Relevant Debt of others, when and as the same shall become due and payable, if such default shall continue for more than the grace period, if any, applicable thereto, or in the event that any Relevant Debt of the Issuer shall have become repayable before the due date thereof as a result of acceleration of maturity caused

by the occurrence of any event of default thereunder and shall not have been repaid or in the event that any such guarantee shall have been called and is not paid, it being understood for the purpose of this paragraph that, to the extent the Issuer contests in good faith that such Relevant Debt is due or that such guarantee is callable, no such event shall be deemed to have occurred until a competent court renders a final judgement that such Relevant Debt is due or that such guarantee is callable, provided that the aggregate amount of the Relevant Debt or guarantees in respect of which one or more of the events mentioned in this Condition 9 (c) have occurred equals or exceeds EUR 200,000,000 or its equivalent in other currencies; or

- (d) if the Issuer makes any proposal for a general moratorium in relation to its debt or a judgement is issued for the judicial liquidation (*liquidation judiciaire*) or for a judicial transfer of the whole of the business (*cession totale de l'entreprise*) of the Issuer or, to the extent permitted by applicable law, if the Issuer is subject to any other insolvency or bankruptcy proceedings or the Issuer makes any judicial conveyance, assignment or other judicial arrangement for the benefit of its creditors or enters into a composition (*accord amiable*) with its creditors, provided that an event of default shall also occur under this paragraph (d) with respect to one or more Principal Subsidiaries (as defined below) if after excluding the value of the securities of one or more Principal Subsidiaries subject to proceedings of the type described in this paragraph (d) the total shareholders' equity appearing in the latest audited financial statements (*comptes individuels*) of the Issuer would become less than 66 per cent. of the total shareholders' equity appearing in such audited financial statements before such exclusion.

For the purposes of this paragraph (d):

- (i) “**Principal Subsidiary**” means at any time relevant a Subsidiary of the Issuer:
- (a) whose total fixed assets or operating income (or, where the Subsidiary in question prepares consolidated accounts, whose total consolidated fixed assets or consolidated operating income, as the case may be), attributable to the Issuer represent not less than 15 per cent. of the total consolidated fixed assets or the consolidated operating income, as the case may be, of the Issuer, all as calculated by reference to the then latest audited accounts (or consolidated accounts, as the case may be) of such Subsidiary and the then latest audited consolidated accounts of the Issuer and its consolidated Subsidiaries; or
- (b) to which is transferred all or substantially all the assets and undertakings of a Subsidiary which immediately prior to such transfer is a Principal Subsidiary;
- (ii) “**Subsidiary**” means in relation to any person or entity at any time, a “*filiale*” as defined in Article L.233-1 of the French *Code de commerce* (the “**Code**”) or any other person or entity controlled directly or indirectly by such person or entity within the meaning of Article L.233-3 of the Code; or
- (e) the Issuer ceases to carry on all or a material part of its business, except for the purposes of and followed by a merger or a reorganisation (*cession, scission* or *apport partiel d'actifs*) pursuant to which the surviving company assumes all of the obligations of the Issuer with respect to the Bonds. For the purpose of this paragraph (e), a part of the Issuer's business will be deemed material if the operating income (or, where the business in question is operated by one or more Subsidiaries which prepare consolidated financial statements, the total operating consolidated income) attributable to such business represents 50 per cent. or more of the total consolidated operating income of the Issuer, all as calculated by reference to the then latest audited financial statements (or consolidated financial statements, as the case may be) relating to the business in question and the then latest audited consolidated financial statements of the Issuer;

then each Bondholder acting through the Representative (as defined in Condition 10) may upon written notice to the Fiscal Agent given on behalf of the Bondholders before all defaults shall have been cured, cause the Bonds to become immediately due and payable, whereupon they shall become immediately due and payable at their principal amount together with any accrued interest thereon without further formality.

General Assemblies may deliberate validly at the first convening only if Bondholders present or represented hold at least a fifth of the principal amount of the Bonds then outstanding. In the event of such assimilation, the Bondholders and the holders of any assimilated (*assimilables*) bonds will for the defense of their common interest be grouped in a single *Masse* having legal personality.

The Issuer published the following press release:

Colas secures two contracts to extend the T3 tram in the west of Paris

Colas was awarded two contracts by the RATP (Autonomous Parisian Transportation Administration – a state-owned public transport operator) following requests for proposals to build a 3.2-km extension of the T3 tram line between the current Porte d'Asnières terminus and Porte Dauphine as part of the Grand Paris Project. The extension will include seven new stations which will serve Porte Maillot, the Palais des Congrès Convention Center and the University of Paris-Dauphine, and is designed to strengthen the current transport network with new connections to the RER C, the future extension of the RER E to the west (EOLE) as well as the Paris metro and bus networks.

The first contract covers design studies, track laying, and infrastructure works. It includes the construction of overhead line foundations, platforms, and duct banks, along with civil engineering in the stations as well as curbs and track surfacing (stone and plant), for a total of €29 million.

The second contract covers the studies and construction of the overhead line, along with the line traction equipment for the entire section. It includes the design studies, as well as the supply, installation and testing of the entire 6.4 km-long overhead line, and the installation of electrical power distribution equipment, for a total of €4 million.

The contract value for the two projects amounts to a total of €33 million. Their completion will make it possible to open the T3b tram line by the end of 2023.

“We are very pleased to have the opportunity to take part in another project to extend the Paris tramway, along with Colas France. As far as transport modes are concerned, Trams are both inclusive and environmentally-friendly. The new extension is a real challenge for our teams who will be working in very heavy traffic areas every day. Supply logistics and intersection crossings will have to be studied carefully to minimize our impact on traffic. Safety will always remain our top priority,” explains Jean-François Milleron, General Manager France, Colas Rail.

With these two new contracts, Colas clearly remains a privileged partner of the RATP on tram extension projects in the Greater Paris Area. Subsidiaries of the Group have taken part in the construction of lines T4, T9 and T13, in particular. Colas Rail also built the entire track on the previous sections of line T3, the last section of which was opened to traffic in November 2018.

Newen takes a majority stake in production company Flare Film. The Berlin-based company has successfully developed and produced cinema and documentary movies since 2008 and has established its series unit Flare Entertainment in 2020 to strengthen its footprint in the growing series market. Its productions are internationally acclaimed with public and critical success at numerous festivals (Sundance, Berlinale, Locarno) and its first high-scale series *Paradiso* for Sky has recently wrapped production. Martin Heisler, the founder and owner of Flare Film, will continue to run the group while also retaining a significant stake. This acquisition marks a new step in Newen's international expansion strategy. The group is now present on the main European markets. Due to its size, the largest in Europe, and its creativity, Germany is a key market for Newen's development. Its attractiveness has been further reinforced by several recent major international successes of German productions such as *Dark*, *Das Boot*, *Babylon Berlin*, *How to sell drugs fast*.

Flare Film is a quality production label, both dynamic and in constant growth, still independent in this highly coveted market. Some collaborations are already set up, notably in distribution with Newen Connect. These will be reinforced and complemented by coproductions and IP exchanges, in accordance to the tested and virtuous practices that exist within the Newen Group.

Romain Bessi, Managing Director of Newen: "Newen continues its dynamic strategy of gathering the best European talent with the acquisition of Flare Film. This is an important step for the group, because European ambition necessarily includes the German market, the most important one in Europe. We are looking forward to work with Martin Heisler and his teams, not only because they are talented but also because our common desires and values guarantee great ambitions. We will do everything to support them in creating and enhancing attractive content to viewers all around the world."

Philippe Levasseur, Head of International of Newen: "Flare Film is the ideal partner for Newen: a very creative team, eager to collaborate beyond its borders, ambitious in various genres. The development of scripted series with Newen started even before the signature of this acquisition because everyone in the group was waiting for this German partner, which is essential for our European deployment."

Martin Heisler, President and CEO of Flare Film : "The film and TV market has never been as exciting as it is right now and becoming part of the Newen family is an important step for us to play a bigger role in the German market as well as in international co-productions. At the same time, we will remain a trustworthy partner for the creative talents and all our collaborators and will continue to follow our vision: to produce exciting, high-quality and relevant content.
