For this purpose, “**subsidiary**” means, with respect to any person at any particular time, any entity which is controlled by such person within the meaning of Article L.233-3 of the French *Code de commerce* (excluding any listed person in which the Issuer holds less than 33.33 per cent. of the share capital and voting rights).

In connection with the issue and sale of the Bonds, no person is authorised to give any information or to make any representation not contained (or incorporated by reference in) in this Prospectus, and neither the Issuer nor any of the Joint Bookrunners (as defined in section “**Subscription and Sale**” below) accepts responsibility for any information or representation so given that is not contained (or incorporated by reference) in this Prospectus. This Prospectus does not constitute an offer of Bonds, and may not be used for the purposes of an offer or solicitation by anyone in any jurisdiction in which such offer or solicitation is not authorised, or to any person to whom it is unlawful to make such offer or solicitation and no action is being taken to permit an offering of the Bonds or the distribution of this Prospectus in any jurisdiction where any such action is required except as specified herein.

This Prospectus is to be read in conjunction with all documents which are incorporated herein by reference (see section “**Documents Incorporated by Reference**”). This Prospectus shall be read and construed on the basis that such documents are incorporated in, and form part of, this Prospectus.

No person is authorised to give any information or to make any representation not contained in this Prospectus and any information or representation not so contained must not be relied upon as having been authorised by or on behalf of the Issuer or the Joint Bookrunners. Neither the delivery of this Prospectus nor any sale made in connection herewith shall, under any circumstances, create any implication that there has been no change in the affairs of the Issuer or the Group since the date hereof or the date upon which this Prospectus has been most recently amended or supplemented or that there has been no adverse change in the financial position of the Issuer or the Group since the date hereof or the date upon which this Prospectus has been most recently amended or supplemented or that the information contained in it or any other information supplied in connection with the Bonds is correct as of any time subsequent to the date on which it is supplied or, if different, the date indicated in the document containing the same.

Each prospective investor in the Bonds must determine, based on its own independent review and such professional advice as it deems appropriate under the circumstances, that its acquisition of the Bonds is fully consistent with its financial needs, objectives and condition, complies and is fully consistent with all investment policies, guidelines and restrictions applicable to it and is a fit, proper and suitable investment for it, notwithstanding the clear and substantial risks inherent in investing in or holding the Bonds. A prospective investor may not rely on the Issuer or the Joint Bookrunners or any of their respective affiliates in connection with its determination as to the legality of its acquisition of the Bonds or as to the other matters referred to above.

The distribution of this Prospectus and the offering of the Bonds in certain jurisdictions may be restricted by law. Persons into whose possession this Prospectus comes are required by the Issuer to inform themselves about, and to observe, any such restrictions.

Investors should inform themselves about any additional costs incurred in connection with the purchase, custody or sale of the Bonds before investing in the Bonds as this may result in losing part of their investment in the Bonds.

The Bonds have not been and will not be registered under the United States Securities Act of 1933, as amended (the “**Securities Act**”) and, subject to certain exceptions, may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons (as defined in Regulation S under the Securities Act (“**Regulation S**”)).

PRIIPS REGULATION / PROHIBITION OF SALES TO EEA RETAIL INVESTORS – The Bonds are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the European Economic Area (“**EEA**”). For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of Directive (EU) 2014/65 (as amended, “**MiFID II**”); (ii) a customer within the meaning of Directive (EU) 2016/97 (as amended, the “**Insurance Distribution Directive**”), where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II; or (iii) not a qualified investor as defined in the Prospectus Regulation. Consequently, no key information document required by Regulation (EU) No. 1286/2014 (as amended, the “**PRIIPs Regulation**”) for offering or selling the Bonds or otherwise making them available to retail investors in the EEA has been prepared and therefore offering or selling the Bonds or otherwise making them available to any retail investor in the EEA may be unlawful under the PRIIPs Regulation.

PRIIPS REGULATION / PROHIBITION OF SALES TO UK RETAIL INVESTORS – The Bonds are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the United Kingdom (“**UK**”). MIFID II PRODUCT GOVERNANCE / PROFESSIONAL INVESTORS AND ECPS ONLY TARGET MARKET – Solely for the purposes of each manufacturer’s product approval process, the target market assessment in respect of the Bonds, taking into account the five (5) categories referred to in item 18 of the Guidelines on MiFID II product governance requirements published by ESMA dated 5 February 2018, has led to the conclusion that: (i) the target market for the Bonds is eligible counterparties and professional clients only, each as defined in MiFID II; and (ii) all channels for distribution of the Bonds to eligible counterparties and professional clients are appropriate. Any person subsequently offering, selling or recommending the Bonds (a “**Distributor**”) should take into consideration the manufacturers’ target market assessment; however, a Distributor subject to MiFID II is responsible for undertaking its own target market assessment in respect of the Bonds (by either adopting or refining the manufacturers’ target market assessment) and determining appropriate distribution channels.

UK MIFIR PRODUCT GOVERNANCE / PROFESSIONAL INVESTORS AND ECPs ONLY TARGET MARKET – Solely for the purposes of each manufacturer’s product approval process, the target market assessment in respect of the Bonds, taking into account the five (5) categories referred to in item 18 of the Guidelines published by ESMA on 5 February 2018 (in accordance with the FCA’s policy statement entitled “*Brexit our approach to EU non-legislative materials*”) has led to the conclusion that: (i) the target market for the Bonds is only eligible counterparties, as defined in the FCA Handbook Conduct of Business Sourcebook (“**COBS**”), and professional clients, as defined in Regulation (EU) No. 600/2014 as it forms part of domestic law by virtue of the European Union (Withdrawal) Act 2018 (“**UK MiFIR**”); and (ii) all channels for distribution of the Bonds to eligible counterparties and professional clients are appropriate. Any person subsequently offering, selling or recommending the Bonds (a “**distributor**”) should take into consideration the manufacturers’ target market assessment; however, a distributor subject to the FCA Handbook Product Intervention and Product Governance Sourcebook (the “**UK MiFIR Product Governance Rules**”) is responsible for undertaking its own target market assessment in respect of the Bonds (by either adopting or refining the manufacturers’ target market assessment) and determining appropriate distribution channels.

Singapore SFA Product Classification – In connection with Section 309B of the Securities and Futures Act 2001 of Singapore (the “**SFA**”) and the Securities and Futures (Capital Markets Products) Regulations 2018 of Singapore (the “**CMP Regulations 2018**”), the Issuer has determined, and hereby notifies all relevant persons (as defined in Section 309A(1) of the SFA), that the Bonds are “prescribed capital markets products” (as defined in the CMP Regulations 2018) and Excluded Investment Products (as defined in MAS Notice SFA 04-N12: Notice on the Sale of Investment Products and MAS Notice FAA-N16: Notice on Recommendations on Investment Products).

Suitability of investment in the Bonds

The Bonds may not be a suitable investment for all investors. Each potential investor in the Bonds must determine the suitability of that investment in light of its own circumstances. In particular, each potential investor should:

- (a) have sufficient knowledge and experience to make a meaningful evaluation of the Bonds, the merits and risks of investing in the Bonds and the information contained or incorporated by reference in this Prospectus or any applicable supplement;
- (b) have access to, and knowledge of, appropriate analytical tools to evaluate, in the context of its particular financial situation, an investment in the Bonds and the impact the Bonds will have on its overall investment portfolio;
- (c) have sufficient financial resources and liquidity to bear all of the risks of an investment in the Bonds, including where the currency for principal or interest payments is different from the potential investor's currency or where the currency for principal or interest payments is different from the currency in which such potential investor’s financial activities are principally denominated;
- (d) understand thoroughly the terms of the Bonds and be familiar with the behaviour of any relevant financial markets; and
- (e) be able to evaluate (either alone or with the help of a financial adviser) possible scenarios for economic, interest rate and other factors that may affect its investment and its ability to bear the applicable risks.

Consideration relating to credit rating of the Bonds

The rating assigned to the Bonds by each rating agency is based on the Issuer’s financial situation but takes into account other relevant structural features of the transaction, including, *inter alia*, the terms of the Bonds, and reflects only the views of such rating agency. A rating may not reflect the potential impact of all risks related

to structure, market, additional factors discussed in this paragraph, and other factors that may affect the value of the Bonds. The rating addresses the likelihood of full and timely payment to the Bondholders of all payments of interest on each interest payment date and repayment of principal on the final payment date. There is no assurance that any such rating will continue for any period of time or that they will not be reviewed, revised, suspended or withdrawn entirely by the rating agency as a result of changes in or unavailability of information or if, in the rating agency's judgement, circumstances so warrant. A credit rating and/or a corporate rating are not a recommendation to buy, sell or hold securities. Any adverse change in an applicable credit rating could adversely affect the trading price for the Bonds.

A further description of certain restrictions on offers and sales of the Bonds in the United States and in certain other jurisdictions, is set forth below under "Subscription and Sale".

RISK FACTORS

The following are certain risk factors of the offering of the Bonds of which prospective investors should be aware. The Issuer believes that the following factors may affect its ability to fulfil its obligations under the Bonds. All of these factors are contingencies which may or may not occur. Factors which the Issuer believes may be material for the purpose of assessing the market risks associated with Bonds are also described below. The Issuer believes that the factors described below represent the principal risks inherent in investing in Bonds, but the inability of the Issuer to pay interest, principal or other amounts on or in connection with any Bonds may occur for other reasons. Prospective investors should make their own independent evaluations of all risk factors and should also read the detailed information set out elsewhere in this Prospectus (including any documents incorporated by reference herein) and reach their own views prior to making any investment decision.

The terms defined in “Terms and Conditions of the 2029 Bonds” or “Terms and Conditions of the 2037 Bonds” shall have the same meaning when used below. References to “Bondholders” shall be a reference to the 2029 Bondholders or, as the case may be, the 2037 Bondholders and references to the “Terms and Conditions of the Bonds” shall be a reference to the Terms and Conditions of the 2029 Bonds or, as the case may be, the Terms and Conditions of the 2037 Bonds.

1. Risks related to the Issuer and its business

The risks relating to the Issuer and its business are set out on pages 208 to 212 of the 2021 Universal Registration Document (as defined in section “Documents Incorporated by Reference”) and include the following:

- Risk factors relating to construction businesses;
- Risk factors relating to media;
- Risk factors relating to telecoms; and
- Risk factors relating to Bouygues SA and the Group

2. Risks related to the Bonds

2.1 Risks relating to particular features of the Bonds

Credit risk

As contemplated by Condition 2 of the Terms and Conditions of the Bonds, the Bonds constitute direct, unconditional, unsubordinated and (subject to the provisions of Condition 3 of the Terms and Conditions of the Bonds) unsecured obligations of the Issuer. However, an investment in the Bonds involves taking credit risk on the Issuer. If the creditworthiness of the Issuer deteriorates and notwithstanding Condition 9 of the Terms and Conditions of the Bonds which enable the investors to request through the Representative of the *Masse* the redemption of the Bonds, it may not be able to fulfil all or part of its payment obligations under the Bonds, which could materially and negatively impact the Bondholders and investors may lose all or part of their investment.

The Bonds may be redeemed prior to maturity

In the event that the Issuer would be obliged to pay additional amounts payable in respect of any Bonds due to any withholding as provided in Condition 5(b) of the Terms and Conditions of the Bonds, the Issuer may, and in certain circumstances shall, redeem all outstanding Bonds in accordance with such Condition.

In addition, the Issuer may, at its option (i) redeem, in whole or in part, the then outstanding 2029 Bonds and/or 2037 Bonds at any time, or from time to time, prior to (a) 29 March 2029 in respect of the 2029 Bonds and (b) 30 March 2037 in respect of the 2037 Bonds, at the relevant make whole redemption amount, as provided in each Condition 5(c) of the Terms and Conditions of the Bonds and (ii) from, and including, (a) 29 March 2029 in respect of the 2029 Bonds and (b) 30 March 2037 in respect of the 2037 Bonds to, but excluding, their respective Maturity Date, redeem the 2029 Bonds and/or the 2037 Bonds outstanding on any such dates, in whole or in part, at their respective principal amount plus accrued interest, as provided in each Condition 5(e) of the Terms and Conditions of the Bonds.

Furthermore, if 80 per cent. or more in initial aggregate nominal amount of the 2029 Bonds or of the 2037 have been redeemed or purchased and cancelled, the Issuer will have the option to redeem, at any time prior to their respective Maturity Date, all of such outstanding Bonds at their respective principal amount plus accrued interest as provided in each Condition 5(d) of the Terms and Conditions of the Bonds. In particular, there is no obligation for the Issuer to inform investors if and when this percentage has been reached or is about to be reached, and the Issuer's right to redeem will exist notwithstanding that immediately prior to the serving of a notice in respect of the exercise of this option, the Bonds may have been trading significantly above par, thus potentially resulting in a loss of capital invested.

In addition, the Issuer may redeem the then outstanding Bonds, in whole but not in part, following an Acquisition Event (i) in respect of the 2029 Bonds at an amount equal to 101 per cent. of the principal amount of the 2029 Bonds together with any accrued interest to but excluding the date fixed for redemption as provided in Condition 5(f) of the Terms and Conditions of the 2029 Bonds and (ii) in respect of the 2037 Bonds at an amount equal to 101 per cent. of the principal amount of the 2037 Bonds together with any accrued interest to but excluding the date fixed for redemption as provided in Condition 5(f) of the Terms and Conditions of the 2037 Bonds. An Acquisition Event will occur if (x) the Issuer has not completed and closed the acquisition of 100 per cent. of the shares issued by Equans, and (y) on or prior to 30 June 2023, the Issuer has publicly stated that it is no longer pursuing such acquisition. Notice of such redemption may be exercised up to and including 30 June 2023. Notwithstanding the occurrence of an Acquisition Event, the Issuer may decide not to redeem either the 2029 Bonds, the 2037 Bonds, the Bonds or none of the Bonds. The Acquisition Event Call Option is likely to limit the market value of the Bonds.

The Issuer may choose to redeem the Bonds in accordance with Conditions 5(c), 5(d), 5(e) and 5(f) of the Terms and Conditions of the Bonds at times when prevailing interest rates may be relatively low. During a period when the Issuer may elect, or has elected, to redeem Bonds, such Bonds may feature a market value not substantially above the price at which they can be redeemed. In such circumstances an investor may not be able to reinvest the redemption proceeds in a comparable security at an effective interest rate as high as that of the relevant Bonds.

As a consequence, part of the capital invested by the Bondholder may be lost, so that the Bondholder in such case would not receive the total amount of the capital invested. However, the redeemed face amount of the Bonds may not be below par. In addition, investors that choose to reinvest monies they receive through an early redemption may be able to do so only in securities with a lower yield than such redeemed Bonds.

Change of Control - Put Event

Upon the occurrence of a Put Event further to a Change of Control of the Issuer (as more fully described in Condition 7 of the Terms and Conditions of the Bonds), each Bondholder will have the right to request the Issuer to redeem or procure the purchase of all or part of its Bonds at their principal amount together with any accrued interest. In such case, any trading market in respect of those Bonds in respect of which

such redemption right is not exercised may become illiquid. In addition, investors may not be able to reinvest the moneys they receive upon such early redemption in securities with the same yield as the redeemed Bonds. Should the above risks ever materialise, Bondholders could lose a significant part of their investment in the Bonds.

Purchases by the Issuer in the open market or otherwise (including by tender offer) in respect of certain Bonds may affect the liquidity of the Bonds which have not been so purchased

Depending on the number of Bonds purchased by the Issuer as provided in Condition 5(h) of the Terms and Conditions of the Bonds, any trading market in respect of the Bonds that have not been so purchased may become illiquid and, as a consequence, Bondholders may not be able to sell their Bonds and therefore lose part of their investment in the Bonds.

A Bondholder's actual yield on the Bonds may be reduced from the stated yield by transaction costs

The yield of the 2029 Bonds is 2.328 per cent. *per annum* and the yield of the 2037 Bonds is 3.344 per cent. *per annum* and are calculated at the Issue Date. However, when Bonds are purchased or sold, several types of incidental costs (including transaction fees and commissions) are incurred in addition to the current price of the security. These incidental costs may significantly reduce or even exclude the profit potential of the Bonds. For instance, credit institutions as a rule charge their clients for own commissions which are either fixed minimum commissions or pro-rata commissions depending on the order value. To the extent that additional – domestic or foreign – parties are involved in the execution of an order, including but not limited to domestic dealers or brokers in foreign markets, Bondholders must take into account that they may also be charged for the brokerage fees, commissions and other fees and expenses of such parties (third party costs). In addition to such costs directly related to the purchase of securities (direct costs), Bondholders must also take into account any follow-up costs (such as custody fees).

Interest rate risks

As provided for in Condition 4 of the Terms and Conditions of the 2029 Bonds, each 2029 Bond bears interest from, and including, 24 May 2022 at the annual rate of 2.250 per cent. *per annum* and as provided for in Condition 4 of the Terms and Conditions of the 2037 Bonds, each 2037 Bond bears interest from, and including, 24 May 2022 at the annual rate of 3.250 per cent. *per annum*, which involves the risk that subsequent changes in market interest rates may adversely affect the value of the Bonds. Generally, prices of fixed interest rate notes tend to fall when market interest rates rise and accordingly are subject to volatility. Therefore, the price of the Bonds at any particular time may be lower than the purchase price for the Bonds paid by the Bondholders and may cause Bondholders to lose a portion of the capital invested if they decide to sell their Bonds.

2.2 Risks for the Bondholders as creditors of the Issuer

French insolvency law

The Issuer is a *société anonyme* with its corporate seat in France. In the event that the Issuer becomes insolvent, insolvency proceedings will be generally governed by the insolvency laws of France to the extent that, where applicable, the “centre of main interests” (as construed under Regulation (EU) 2015/848, as amended) of the Issuer is located in France.

The Directive (EU) 2019/1023 on preventive restructuring frameworks, on discharge of debt and disqualifications, and on measures to increase the efficiency of procedures concerning restructuring, insolvency and discharge of debt, and amending Directive (EU) 2017/1132 has been transposed into

French law by the *Ordonnance* 2021-1193 dated 15 September 2021. Such *ordonnance*, applicable as from 1st October 2021, amends French insolvency laws notably with regard to the process of adoption of restructuring plans under insolvency proceedings. According to this *ordonnance*, “affected parties” (including notably creditors, and therefore the Bondholders) shall be treated in separate classes which reflect certain class formation criteria for the purpose of adopting a restructuring plan. Classes shall be formed in such a way that each class comprises claims or interests with rights that reflect a sufficient commonality of interest based on verifiable criteria. Bondholders will no longer deliberate on the proposed restructuring plan in a separate assembly, meaning that they will no longer benefit from a specific veto power on this plan. Instead, as any other affected parties, the Bondholders will be grouped into one or several classes (with potentially other types of creditors) and their dissenting vote may possibly be overridden by a cross-class cram down.

The commencement of insolvency proceedings against the Issuer would have a material adverse effect on the market value of Bonds issued by the Issuer. As a consequence, any decisions taken by a class of affected parties could negatively and significantly impact the Bondholders and cause them to lose all or part of their investment, should they not be able to recover all or part of the amounts due to them from the Issuer.

Modification of the Terms and Conditions of the Bonds and waivers

Condition 10 of the Terms and Conditions of the Bonds contain provisions for calling meetings of Bondholders through General Assemblies or the seeking of Written Consultations to consider matters affecting their interests generally. These provisions permit defined majorities to bind all Bondholders including Bondholders who did not attend and vote at the relevant meeting and Bondholders who voted in a manner contrary to the majority. General Assemblies or Written Resolutions may deliberate on proposals relating to the modification of the Terms and Conditions of the Bonds subject to the limitation provided by French law. If a decision is adopted by a majority of Bondholders and such modifications were to impair or limit the rights of the Bondholders, this may have an impact on the market value of the Bonds and hence Bondholders may lose part of their investment.

2.3 Risks relating to the market

No active secondary or trading market for the Bonds

Application has been made for the Bonds to be admitted to trading on Euronext Paris as from the Issue Date.

An active trading market for the Bonds may not develop and, if one does develop, it may not be maintained. If an active trading market for the Bonds does not develop or is not maintained, the market or trading price and liquidity of the Bonds may be adversely affected. Therefore, investors may not be able to sell their Bonds in the secondary market in which case the market or trading price and liquidity may be adversely affected or at prices that will provide them with a yield comparable to similar investments that have a developed secondary market and Bondholders could lose a significant part of their investments in the Bonds.

Market value of the Bonds

The Bonds have been rated A- by S&P and A3 by Moody's. The market value of the Bonds will be influenced by the creditworthiness of the Issuer and a number of additional factors, including, but not limited to, market interest and yield rates and the time remaining to the maturity date. The value of the Bonds depends on a number of interrelated factors, including economic, financial and political events in France or elsewhere, including factors affecting capital markets generally and the stock exchanges on which the Bonds are traded. The price at which a holder of Bonds will be able to sell the Bonds prior to

maturity may be at a discount, which could be substantial, from the issue price or the purchase price paid by such purchaser.

Change of Law

As contemplated by Condition 14 of the Terms and Conditions of the Bonds, the Bonds are based on French law in effect as at the date of this Prospectus. Any possible judicial or administrative decision or change to French law or administrative practice may occur after the date of this Prospectus. Any such decision or change in law could be unfavourable to the Bondholders' rights and may have a negative impact on the market value of the Bonds.

Exchange rate risks and exchange controls

The Issuer will pay principal and interest on the Bonds in Euro in accordance with Condition 4 and Condition 6 of the Terms and Conditions of the Bonds. This presents certain risks relating to currency conversions if an investor's financial activities are denominated principally in a currency or currency unit (the "**Investor's Currency**") other than Euro. These include the risk that exchange rates may change significantly (including changes due to devaluation of Euro or revaluation of the Investor's Currency) and the risk that authorities with jurisdiction over the Investor's Currency may impose or modify exchange controls. An appreciation in the value of the Investor's Currency relative to the Euro would decrease (i) the Investor's Currency-equivalent yield on the Bonds, (ii) the Investor's Currency-equivalent value of the principal payable on the Bonds and (iii) the Investor's Currency-equivalent market value of the Bonds.

Government and monetary authorities may impose (as some have done in the past) exchange controls that could adversely affect an applicable exchange rate. As a result, investors may receive less interest or principal than expected, or no interest or principal.

Potential Conflict of Interest

All or some of the Joint Bookrunners and, as the case may be, the Calculation Agent and their respective affiliates (including their parent companies) have and/or may in the future engage, in investment banking, commercial banking and/or other financial advisory and commercial dealings with the Issuer and its affiliates and in relation to securities issued by any entity of the Group. They have or may, in the ordinary course of their business, (i) engage in investment banking (including bank loans), trading or hedging activities including activities that may include prime brokerage business, financing transactions or entry into derivative transactions, (ii) act as underwriters in connection with offering of shares or other securities issued by any entity of the Group or (iii) act as financial advisers to the Issuer or other companies of the Group. In the context of these transactions, certain of such Joint Bookrunners have or may hold shares or other securities issued by entities of the Group. Where applicable, they have or will receive customary fees and commissions for these transactions.

Each of the Issuer and the Joint Bookrunner(s) may from time to time be engaged in transactions involving an index or related derivatives which may affect the market price, liquidity or value of the Bonds and which could be deemed to be adverse to the interests of the Bondholders.

Potential conflicts of interest may arise between the Calculation Agent, if any, and the Bondholders (including where a Joint Bookrunner acts as Calculation Agent), including with respect to certain discretionary determinations and judgements that such Calculation Agent may make pursuant to the Terms and Conditions of the Bonds that may influence the amount receivable upon redemption of the Bonds. In particular, whilst a Calculation Agent will, as the case may be, have information barriers and procedures in place to manage conflicts of interest, it may in its other banking activities from time to time be engaged in transactions involving an index or related derivatives which may affect amounts

receivable by Bondholders during the term and on the maturity of the Bonds or the market price, liquidity or value of the Bonds and which could be deemed to be adverse to the interests of the Bondholders.

2 Status of the 2029 Bonds

The 2029 Bonds constitute direct, unconditional, unsubordinated and unsecured obligations of the Issuer and rank and will rank *pari passu* without any preference among themselves and (subject to such exceptions as are from time to time mandatory under French law) equally and rateably with all other present or future unsecured and unsubordinated obligations of the Issuer.

3 Negative Pledge

So long as any of the 2029 Bonds remains outstanding (as defined below), the Issuer undertakes that it will not create or permit to subsist or to become effective any mortgage, lien, charge, pledge or other form of security interest (*sûreté réelle*) upon the whole or any part of its undertaking and any of its assets or revenues, present or future, to secure any Relevant Debt (as defined below) of the Issuer or a guarantee (including by way of joint liability) in respect of any Relevant Debt of others unless, at the same time or prior thereto, the Issuer's obligations under the 2029 Bonds are equally and rateably secured thereby or by such security interest as may be approved by Collective Decisions (as defined below).

“**Relevant Debt**” means any present or future indebtedness for borrowed money which is in the form of, or represented by, debt securities (*titres de créance* within the meaning of Articles L.211-1, II, 2 and L.213-1 of the French *Code monétaire et financier*, including *titres* giving the right to receive (through conversion,

exchange, subscription or otherwise) equity securities or equivalent debt instruments issued under any law other than French law) which are for the time being, or capable of being, quoted, listed, or ordinarily dealt in on any stock exchange, over-the-counter market or other securities market.

“**outstanding**” means, in relation to the 2029 Bonds, all the 2029 Bonds issued other than: (a) those which have been redeemed in accordance with the Conditions, (b) those in respect of which the date for redemption in accordance with the Conditions has occurred and the redemption moneys (including all interest accrued on such 2029 Bonds to the date for such redemption and any interest payable under Condition 4 after such date) have been duly paid to the Fiscal Agent, (c) those which have been purchased and cancelled as provided in Condition 5 and (d) those claims in respect of which have become prescribed under Condition 12.

4 Interest

Exceptionally, there will be a long first coupon of an amount of EUR 2,471.92 per 2029 Bond of EUR 100,000 denomination, in respect of the first interest period, from and including, 24 May 2022 to, but excluding, 29 June 2023.

Each 2029 Bond will cease to bear interest from the due date for redemption unless payment of principal is improperly withheld or refused. In such event it shall continue to bear interest at the rate of 2.250 per cent. *per annum* until whichever is the earlier of (i) the day on which all sums due in respect of such 2029 Bond up to that day are received by or on behalf of the relevant holder on the 2029 Bonds, and (ii) the day after the Fiscal Agent has notified the holders of the 2029 Bonds (the “**2029 Bondholders**”) of receipt of all sums due in respect of all the 2029 Bonds up to that day (except to the extent that there is failure in the subsequent payment to the relevant 2029 Bondholder under these Conditions).

Interest will be calculated on an Actual/Actual (ICMA) basis. Where interest is to be calculated in respect of a period which is equal to or shorter than an Interest Period (as defined below), it shall be calculated on the basis of the number of days elapsed in the relevant period, from and including the date from which interest begins to accrue to but excluding the date on which it falls due, divided by the number of days in the Interest Period in which the relevant period falls (including the first such day but excluding the last).

For the purpose of this Condition 4, “**Interest Period**” means the period beginning on, and including, the Interest Commencement Date and ending on, but excluding, the first Interest Payment Date and each successive period beginning on, and including, an Interest Payment Date and ending on, but excluding, the next succeeding Interest Payment Date.

5 Redemption and Purchase

The 2029 Bonds may not be redeemed otherwise than in accordance with this Condition 5 and with Condition 7.

(a) Final Redemption

Unless previously redeemed or purchased and cancelled as provided below or in Condition 7, the 2029 Bonds will be redeemed in full at par by the Issuer on 29 June 2029 (the “**Maturity Date**”).

(b) Redemption for Taxation Reasons

(A) If, by reason of any change in French law, or any change in the official application or interpretation of such law, becoming effective after 24 May 2022 (the “**Issue Date**”), the Issuer would, on the occasion of the next payment of principal or interest due in respect of the 2029 Bonds, not be able to make such payment without having to pay additional amounts as specified

under Condition 8 below, the Issuer may at any time, subject to having given not more than 45 nor less than 30 calendar days' notice to the 2029 Bondholders (which notice shall be irrevocable), in accordance with Condition 11, redeem all, but not some only, of the 2029 Bonds at their principal amount together with any interest accrued to the date set for redemption provided that the due date for redemption of which notice hereunder may be given shall be no earlier than the latest practicable date on which the Issuer could make payment of principal and interest without withholding for French taxes.

- (B) If the Issuer would on the occasion of the next payment in respect of the 2029 Bonds be prevented by French law from making payment to the 2029 Bondholders of the full amount then due and payable, notwithstanding the undertaking to pay additional amounts contained in Condition 8 below, then the Issuer shall forthwith give notice of such fact to the Fiscal Agent and shall forthwith redeem all, but not some only, of the 2029 Bonds then outstanding at their principal amount plus any accrued interest thereon upon giving not less than seven nor more than 30 calendar days' prior notice to the 2029 Bondholders (which notice shall be irrevocable) in accordance with Condition 11, provided that the due date for redemption of which notice hereunder shall be given shall be the latest practicable date on which the Issuer could make payment of principal and interest without withholding for French taxes or, if such date is past, as soon as practicable thereafter.

(c) **Make Whole Redemption by the Issuer**

The Issuer may at its option, subject to compliance by the Issuer with all relevant laws, regulations and directives and having given not less than 15 nor more than 30 calendar days' notice in accordance with Condition 11 to the 2029 Bondholders (which notice shall be irrevocable), redeem the 2029 Bonds, in whole or in part, at any time or from time to time, prior to 29 March 2029 (the “**Optional Make Whole Redemption Date**”) at their Optional Redemption Amount (as defined below).

The “**Optional Redemption Amount**” will be calculated by the Calculation Agent and will be an amount in Euro rounded to the nearest cent (half a cent being rounded upwards) being the greater of (x) one hundred (100) per cent. of the Principal Amount (as defined below) of the 2029 Bonds so redeemed and, (y) the sum of the then present values of the remaining scheduled payments of principal and interest on such 2029 Bonds to, and including, 29 March 2029 (assuming for this purpose that accrued interest to, but excluding, such date would be payable on such date) (determined on the basis of the interest applicable to such 2029 Bond) (excluding any interest accrued on the 2029 Bonds to, but excluding, the relevant Optional Make Whole Redemption Date)) discounted to the relevant Optional Make Whole Redemption Date on an annual basis (Actual/Actual ICMA) at the Early Redemption Rate plus an Early Redemption Margin, plus in each case (x) or (y) above, any interest accrued on the 2029 Bonds to, but excluding the Optional Make Whole Redemption Date.

The determination of any rate or amount, the obtaining of each quotation and the making of each determination or calculation by the Calculation Agent shall (in the absence of manifest error) be final and binding upon all parties. So long as the 2029 Bonds are admitted to trading on Euronext Paris and the rules of that stock exchange so require, the Issuer shall, each year in which there has been a partial redemption of the 2029 Bonds, cause to be published in accordance with Articles 221-3 and 221-4 of the General Regulations (*Règlement Général*) of the *Autorité des marchés financiers*, a notice specifying the aggregate nominal amount of 2029 Bonds outstanding.

7 Change of Control

If at any time while any 2029 Bond remains outstanding there occurs a Change of Control and within the Change of Control Period a Rating Downgrade occurs as a result of that Change of Control or as a result of a Potential Change of Control (a “**Put Event**”), the holder of each 2029 Bond will have the option (the “**Put Option**”) (unless, prior to the giving of the Put Event Notice (as defined below), the Issuer gives notice of its intention to redeem the 2029 Bonds under Condition 5(b), (c), (d), (e) or (f) to require the Issuer to redeem or, at the Issuer's option, to procure the purchase of that 2029 Bond on the Optional Redemption Date (as defined below) at its principal amount together with (or, where purchased, together with an amount equal to) accrued interest to but excluding the Optional Redemption Date.

A “**Change of Control**” shall be deemed to have occurred at each time that any person or persons acting in concert (other than a Permitted Holding Company (as defined below) acting alone or in concert) come(s) to own or acquire(s) such number of the shares in the capital of the Issuer carrying more than 50 per cent. of the voting rights normally exercisable at a general meeting of the Issuer. “**Permitted Holding Company**” means each and any company or other legal entity whose share capital (or equivalent) and associated voting rights are controlled by Martin Bouygues and/or Olivier Bouygues and/or any of their respective heirs, successors and/or beneficiaries through which any or all such persons at any time hold directly or indirectly shares in the capital of the Issuer.

Bonds by any Rating Agency is (x) withdrawn or (y) changed from an investment grade rating (BBB-, or its respective equivalents for the time being, or better) to a non-investment grade rating (BB+, or their respective equivalents for the time being, or worse) or (z) if the rating previously assigned to the 2029 Bonds by any Rating Agency was below an investment grade rating (as described above), lowered by at least one full rating notch (for example, from BB+ to BB or their respective equivalents), provided that (i) a Rating Downgrade otherwise arising by virtue of a particular change in rating shall be deemed not to have occurred in respect of a particular Change of Control or Potential Change of Control, as the case may be, if the Rating Agency making the change in rating does not publicly announce or publicly confirm that the reduction was the result of the Change of Control or the Potential Change of Control, as the case may be, and (ii) any Rating Downgrade has to be confirmed in a letter, or other form of written communication, sent to the Issuer and publicly disclosed.

(b) Additional Amounts

If French law should require that payments of principal, interest and other revenues in respect of any 2029 Bond be subject to deduction or withholding in respect of any present or future taxes, duties, assessments or other governmental charges of whatever nature imposed or levied by or on behalf of the French Republic or any authority therein or thereof having power to tax, the Issuer shall, to the fullest extent then permitted by law, pay such additional amounts as may be necessary in order that the holder of each 2029 Bond, after such deduction or withholding, will receive the full amount then due and payable thereon in the absence of such withholding, except that no such additional amounts shall be

payable with respect to any 2029 Bond to, or on behalf of, a holder (or beneficial owner (*ayant droit*)) who is subject to such taxes, duties, assessments or governmental charges in respect of such 2029 Bond by reason of his having some connection with the French Republic other than the mere holding of such 2029 Bond.

Any references in these Conditions to principal and interest in respect of the 2029 Bonds shall be deemed also to refer to any additional amounts which may be payable under the provisions of this Condition 8(b).

9 Events of Default

If any of the following events (each, an “**Event of Default**”) occurs:

- (d) if the Issuer makes any proposal for a general moratorium in relation to its debt or a judgement is issued for the judicial liquidation (*liquidation judiciaire*) or for a judicial transfer of the whole of the business (*cession totale de l'entreprise*) of the Issuer or, to the extent permitted by applicable law, if the Issuer is subject to any other insolvency or bankruptcy proceedings or the Issuer makes any judicial conveyance, assignment or other judicial arrangement for the benefit of its creditors or enters into a composition (*accord amiable*) with its creditors, provided that an event of default shall also occur under this paragraph (d) with respect to one or more Principal Subsidiaries (as defined below) if after excluding the value of the securities of one or more Principal Subsidiaries subject to proceedings of the type described in this paragraph (d) the total shareholders' equity appearing in the latest audited financial statements (*comptes individuels*) of the Issuer would become less than 66 per cent. of the total shareholders' equity appearing in such audited financial statements before such exclusion.

- (e) the Issuer ceases to carry on all or a material part of its business, except for the purposes of and followed by a merger or a reorganisation (*cession, scission* or *apport partiel d'actifs*) pursuant to which the surviving company assumes all of the obligations of the Issuer with respect to the 2029 Bonds. For the purpose of this paragraph (e), a part of the Issuer's business will be deemed material if the operating income (or, where the business in question is operated by one or more Subsidiaries which prepare consolidated financial statements, the total operating consolidated income) attributable to such business represents 50 per cent. or more of the total consolidated operating income of the Issuer, all as calculated by reference to the then latest audited financial statements (or consolidated financial statements, as the case may be) relating to the business in question and the then latest audited consolidated financial statements of the Issuer;

then each 2029 Bondholder acting through the Representative (as defined in Condition 10) may upon written notice to the Fiscal Agent given on behalf of the 2029 Bondholders before all defaults shall have been cured, cause the 2029 Bonds to become immediately due and payable, whereupon they shall become immediately due and payable at their principal amount together with any accrued interest thereon without further formality.

In the event of the consolidation of the 2029 Bonds with further issues of 2029 Bonds giving identical rights to 2029 Bondholders and if the terms and conditions of such 2029 Bonds so permit, the 2029 Bondholders of all such issues shall be grouped together in a single *Masse*.

(m) Sole 2029 Bondholder

If and for so long as the 2029 Bonds are held by a sole 2029 Bondholder, such sole 2029 Bondholder shall exercise all the powers, rights and obligations entrusted with the Representative and the Collective Decisions by the provisions of this Condition 10, as appropriate. The Issuer shall hold a register of the decisions the sole 2029 Bondholder will have taken in such capacity and shall make them available, upon request, to any subsequent holder of all or part of the 2029 Bonds.

11 Notices

Any notice to the 2029 Bondholders shall be valid if delivered to Euroclear France, Euroclear and Clearstream and published on the website of the Issuer (www.bouygues.com). Any such notice shall be deemed to have been given on the date of delivery to Euroclear France, Euroclear and Clearstream or, where relevant and if later, such publication or, if published more than once or on different dates, on the first date on which such publication is made.

12 Prescription

Claims against the Issuer for the payment of principal and interest in respect of the 2029 Bonds shall be prescribed 10 years (in the case of principal) and 5 years (in the case of interest) from the due date for payment thereof.

13 Further Issues

The Issuer may from time to time without the consent of the 2029 Bondholders issue further bonds to be assimilated (*assimilables*) with the 2029 Bonds as regards their financial service, provided that such bonds and the 2029 Bonds shall carry rights identical in all respects (or in all respects except for the first payment of interest thereon) and that the terms of such further bonds shall provide for such assimilation. In the event of such assimilation, the 2029 Bondholders and the holders of any assimilated (*assimilables*) bonds will for the defense of their common interest be grouped in a single *Masse* having legal personality.

14 Governing Law and Jurisdiction

The 2029 Bonds are governed by and construed in accordance with French law.

Any suit, action, or proceeding against the Issuer in connection with the 2029 Bonds may be brought in any competent court located in the jurisdiction of the Paris *Cour d'Appel*.

Title to the 2037 Bonds shall be evidenced by entries in the books of Account Holders and will pass upon, and transfer of 2037 Bonds may only be effected through, registration of the transfer in such books.

2 Status of the 2037 Bonds

The 2037 Bonds constitute direct, unconditional, unsubordinated and unsecured obligations of the Issuer and rank and will rank *pari passu* without any preference among themselves and (subject to such exceptions as are from time to time mandatory under French law) equally and rateably with all other present or future unsecured and unsubordinated obligations of the Issuer.

3 Negative Pledge

So long as any of the 2037 Bonds remains outstanding (as defined below), the Issuer undertakes that it will not create or permit to subsist or to become effective any mortgage, lien, charge, pledge or other form of security interest (*sûreté réelle*) upon the whole or any part of its undertaking and any of its assets or revenues, present or future, to secure any Relevant Debt (as defined below) of the Issuer or a guarantee (including by way of joint liability) in respect of any Relevant Debt of others unless, at the same time or prior thereto, the Issuer's obligations under the 2037 Bonds are equally and rateably secured thereby or by such security interest as may be approved by Collective Decisions (as defined below).

“**Relevant Debt**” means any present or future indebtedness for borrowed money which is in the form of, or represented by, debt securities (*titres de créance* within the meaning of Articles L.211-1, II, 2 and L.213-1 of the French *Code monétaire et financier*, including *titres* giving the right to receive (through conversion,

exchange, subscription or otherwise) equity securities or equivalent debt instruments issued under any law other than French law) which are for the time being, or capable of being, quoted, listed, or ordinarily dealt in on any stock exchange, over-the-counter market or other securities market.

“**outstanding**” means, in relation to the 2037 Bonds, all the 2037 Bonds issued other than: (a) those which have been redeemed in accordance with the Conditions, (b) those in respect of which the date for redemption in accordance with the Conditions has occurred and the redemption moneys (including all interest accrued on such 2037 Bonds to the date for such redemption and any interest payable under Condition 4 after such date) have been duly paid to the Fiscal Agent, (c) those which have been purchased and cancelled as provided in Condition 5 and (d) those claims in respect of which have become prescribed under Condition 12.

4 Interest

Each 2037 Bond bears interest from, and including, 24 May 2022 (the “**Interest Commencement Date**”) to, but excluding, the Maturity Date (as defined below) at the annual rate of 3.250 per cent., payable annually in arrear on 30 June in each year (each an “**Interest Payment Date**”), commencing on 30 June 2023. Exceptionally, there will be a long first coupon of an amount of EUR 3,579.45 per 2037 Bond of EUR 100,000 denomination, in respect of the first interest period, from and including, 24 May 2022 to, but excluding, 30 June 2023.

Each 2037 Bond will cease to bear interest from the due date for redemption unless payment of principal is improperly withheld or refused. In such event it shall continue to bear interest at the rate of 3.250 per cent. *per annum* until whichever is the earlier of (i) the day on which all sums due in respect of such 2037 Bond up to that day are received by or on behalf of the relevant holder on the 2037 Bonds, and (ii) the day after the Fiscal Agent has notified the holders of the 2037 Bonds (the “**2037 Bondholders**”) of receipt of all sums due in respect of all the 2037 Bonds up to that day (except to the extent that there is failure in the subsequent payment to the relevant 2037 Bondholder under these Conditions).

Interest will be calculated on an Actual/Actual (ICMA) basis. Where interest is to be calculated in respect of a period which is equal to or shorter than an Interest Period (as defined below), it shall be calculated on the basis of the number of days elapsed in the relevant period, from and including the date from which interest begins to accrue to but excluding the date on which it falls due, divided by the number of days in the Interest Period in which the relevant period falls (including the first such day but excluding the last).

For the purpose of this Condition 4, “**Interest Period**” means the period beginning on, and including, the Interest Commencement Date and ending on, but excluding, the first Interest Payment Date and each successive period beginning on, and including, an Interest Payment Date and ending on, but excluding, the next succeeding Interest Payment Date.

5 Redemption and Purchase

The 2037 Bonds may not be redeemed otherwise than in accordance with this Condition 5 and with Condition 7.

(a) Final Redemption

Unless previously redeemed or purchased and cancelled as provided below or in Condition 7, the 2037 Bonds will be redeemed in full at par by the Issuer on 30 June 2037 (the “**Maturity Date**”).

(b) Redemption for Taxation Reasons

(A) If, by reason of any change in French law, or any change in the official application or interpretation of such law, becoming effective after 24 May 2022 (the “**Issue Date**”), the Issuer would, on the occasion of the next payment of principal or interest due in respect of the 2037 Bonds, not be able to make such payment without having to pay additional amounts as specified

under Condition 8 below, the Issuer may at any time, subject to having given not more than 45 nor less than 30 calendar days' notice to the 2037 Bondholders (which notice shall be irrevocable), in accordance with Condition 11, redeem all, but not some only, of the 2037 Bonds at their principal amount together with any interest accrued to the date set for redemption provided that the due date for redemption of which notice hereunder may be given shall be no earlier than the latest practicable date on which the Issuer could make payment of principal and interest without withholding for French taxes.

- (B) If the Issuer would on the occasion of the next payment in respect of the 2037 Bonds be prevented by French law from making payment to the 2037 Bondholders of the full amount then due and payable, notwithstanding the undertaking to pay additional amounts contained in Condition 8 below, then the Issuer shall forthwith give notice of such fact to the Fiscal Agent and shall forthwith redeem all, but not some only, of the 2037 Bonds then outstanding at their principal amount plus any accrued interest thereon upon giving not less than seven nor more than 30 calendar days' prior notice to the 2037 Bondholders (which notice shall be irrevocable) in accordance with Condition 11, provided that the due date for redemption of which notice hereunder shall be given shall be the latest practicable date on which the Issuer could make payment of principal and interest without withholding for French taxes or, if such date is past, as soon as practicable thereafter.

(c) **Make Whole Redemption by the Issuer**

The Issuer may at its option, subject to compliance by the Issuer with all relevant laws, regulations and directives and having given not less than 15 nor more than 30 calendar days' notice in accordance with Condition 11 to the 2037 Bondholders (which notice shall be irrevocable), redeem the 2037 Bonds, in whole or in part, at any time or from time to time, prior to 30 March 2037 (the “**Optional Make Whole Redemption Date**”) at their Optional Redemption Amount (as defined below).

The “**Optional Redemption Amount**” will be calculated by the Calculation Agent and will be an amount in Euro rounded to the nearest cent (half a cent being rounded upwards) being the greater of (x) one hundred (100) per cent. of the Principal Amount (as defined below) of the 2037 Bonds so redeemed and, (y) the sum of the then present values of the remaining scheduled payments of principal and interest on such 2037 Bonds to, and including, 30 March 2037 (assuming for this purpose that accrued interest to, but excluding, such date would be payable on such date) (determined on the basis of the interest applicable to such 2037 Bond) (excluding any interest accrued on the 2037 Bonds to, but excluding, the relevant Optional Make Whole Redemption Date)) discounted to the relevant Optional Make Whole Redemption Date on an annual basis (Actual/Actual ICMA) at the Early Redemption Rate plus an Early Redemption Margin, plus in each case (x) or (y) above, any interest accrued on the 2037 Bonds to, but excluding the Optional Make Whole Redemption Date.

The determination of any rate or amount, the obtaining of each quotation and the making of each determination or calculation by the Calculation Agent shall (in the absence of manifest error) be final and binding upon all parties. The Calculation Agent shall act as an independent expert and not as agent for the Issuer or the 2037 Bondholders.

“**Early Redemption Margin**” means +0.35 per cent. *per annum*.

“**Early Redemption Rate**” means the average of the four quotations given by the Reference Dealers of the mid-market annual yield to maturity of the Reference Benchmark Security on the fourth business day in Paris preceding the Optional Make Whole Redemption Date at 11.00 a.m. (Central European time (“**CET**”)).

If the Reference Benchmark Security is no longer outstanding, a Similar Security will be chosen by the Calculation Agent after prior consultation with the Issuer at 11.00 (CET) on the fourth business day in Paris preceding the Optional Make Whole Redemption Date, quoted in writing by the Calculation Agent to the Issuer.

“**Principal Amount**” means EUR 100,000.

“**Reference Dealers**” means each of the four banks (that may include the Joint Bookrunners) selected by the Calculation Agent which are primary European government security dealers, and their respective successors, or market makers in pricing corporate bond issues.

“**Similar Security**” means a reference bond or reference bonds issued by the German Government having an actual or interpolated maturity comparable with the remaining term of the 2037 Bonds that would be utilised, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities of comparable maturity to the remaining term of the 2037 Bonds.

(d) Clean-Up Call Option

Provided that the Issuer has not previously redeemed the 2037 Bonds in accordance with Condition 5(c), in the event that 80 per cent. or more in initial aggregate nominal amount of the 2037 Bonds (including any further bonds to be assimilated with the 2037 Bonds pursuant to Condition 13) have been redeemed or purchased and cancelled, the Issuer may, at its option and at any time prior to the Maturity Date, subject to having given not more than 45 nor less than 15 calendar days’ prior notice to the 2037 Bondholders in accordance with Condition 11 (which notice shall be irrevocable), redeem the outstanding 2037 Bonds, in whole but not in part, at their principal amount plus accrued interest up to but excluding the date fixed for redemption.

(e) Pre-Maturity Call Option

Provided that the Issuer has not previously redeemed the 2037 Bonds in accordance with Condition 5(c), the Issuer may, at its option, from, and including, 30 March 2037 to, but excluding, the Maturity Date, subject to having given not more than 45 nor less than 15 calendar days’ prior notice to the 2037 Bondholders in accordance with Condition 11 (which notice shall be irrevocable), redeem the outstanding 2037 Bonds, in whole or in part, at their principal amount plus accrued interest up to but excluding the date fixed for redemption.

(f) Acquisition Event Call Option

In the event of an Acquisition Event (as defined below), the Issuer may, at its option, subject to having given not less than 30 nor more than 45 calendar days’ prior notice to the Bondholders in accordance with Condition 11 (which notice shall be irrevocable, given on or before 30 June 2023 and shall specify the Issuer’s right to early redemption and specify the redemption date), redeem the outstanding 2037 Bonds, in whole but not in part, at an amount equal to 101 per cent. of their principal amount together with accrued interest to but excluding the date fixed for redemption specified in the notice.

An “**Acquisition Event**” shall have occurred if: (x) the Issuer has not completed and closed the acquisition of 100 per cent. of the shares issued by Equans (the “**Acquisition**”), and (y) on or prior to 30 June 2023, the Issuer has publicly stated that it is no longer pursuing the Acquisition.

“**Equans**” means a French *société par actions simplifiée*, having its registered office at 1, place Samuel de Champlain, 92400 Courbevoie, France, registered with the *Registre du commerce et des sociétés* of Nanterre under number 892 318 312.

(g) Partial Redemption

If the Issuer decides to redeem the 2037 Bonds in part as set out in Conditions 5(c) and 5(e), such partial redemption may be effected by reducing the nominal amount of all such 2037 Bonds in proportion to the aggregate nominal amount redeemed subject to compliance with any applicable laws and regulated market or stock exchange requirements.

So long as the 2037 Bonds are admitted to trading on Euronext Paris and the rules of that stock exchange so require, the Issuer shall, each year in which there has been a partial redemption of the 2037 Bonds, cause to be published in accordance with Articles 221-3 and 221-4 of the General Regulations (*Règlement Général*) of the *Autorité des marchés financiers*, a notice specifying the aggregate nominal amount of 2037 Bonds outstanding.

(h) Purchases

The Issuer may at any time purchase 2037 Bonds in the open market or otherwise at any price. Any 2037 Bonds so purchased by the Issuer may be (i) held and resold for the purpose of enhancing the liquidity of the 2037 Bonds in accordance with applicable French laws and regulations or (ii) cancelled in accordance with Condition 5(i).

(i) Cancellation

All 2037 Bonds which are redeemed or purchased by or on behalf of the Issuer for cancellation pursuant to this Condition will forthwith be cancelled and accordingly may not be reissued or resold.

6 Payments

(a) Method of Payment

Payments of principal and interest in respect of the 2037 Bonds will be made in euro by credit or transfer to a euro-denominated account (or any other account to which euro may be credited or transferred) specified by the payee in a city which banks have access to the TARGET2 System. “**TARGET2 System**” means the Trans-European Automated Real-Time Gross Settlement Express Transfer (TARGET2) System, or any successor thereto.

(b) Payments on Business Days

If any due date for payment of principal or interest or any other amount in respect of any 2037 Bond is not a Business Day, then the holder thereof shall not be entitled to payment of the amount due until the next following day which is a Business Day and the holder shall not be entitled to any interest or other sums in respect of such postponed payment.

In these Conditions “**Business Day**” means a day (other than Saturday or Sunday) on which (i) Euroclear France, Euroclear and Clearstream are open for business, and (ii) the TARGET2 System is operating.

The Issuer reserves the right at any time to vary or terminate the appointment of the Fiscal Agent, Calculation Agent or any Paying Agent and/or appoint another Fiscal Agent, Calculation Agent and additional or other Paying Agents or approve any change in the office through which the Fiscal Agent, Calculation Agent or any Paying Agent acts, provided that it will at all times maintain a Fiscal Agent having a specified office in a European city.

7 Change of Control

If at any time while any 2037 Bond remains outstanding there occurs a Change of Control and within the Change of Control Period a Rating Downgrade occurs as a result of that Change of Control or as a result of a Potential Change of Control (a “**Put Event**”), the holder of each 2037 Bond will have the option (the “**Put Option**”) (unless, prior to the giving of the Put Event Notice (as defined below), the Issuer gives notice of its intention to redeem the 2037 Bonds under Condition 5(b), (c), (d), (e) or (f) to require the Issuer to redeem or, at the Issuer's option, to procure the purchase of that 2037 Bond on the Optional Redemption Date (as defined below) at its principal amount together with (or, where purchased, together with an amount equal to) accrued interest to but excluding the Optional Redemption Date.

A “**Change of Control**” shall be deemed to have occurred at each time that any person or persons acting in concert (other than a Permitted Holding Company (as defined below) acting alone or in concert) come(s) to own or acquire(s) such number of the shares in the capital of the Issuer carrying more than 50 per cent. of the voting rights normally exercisable at a general meeting of the Issuer. “**Permitted Holding Company**” means each and any company or other legal entity whose share capital (or equivalent) and associated voting rights are controlled by Martin Bouygues and/or Olivier Bouygues and/or any of their respective heirs, successors and/or beneficiaries through which any or all such persons at any time hold directly or indirectly shares in the capital of the Issuer.

A “**Rating Downgrade**” shall be deemed to have occurred in respect of a Change of Control or in respect of a Potential Change of Control if within the Change of Control Period the rating previously assigned to the 2037

Bonds by any Rating Agency is (x) withdrawn or (y) changed from an investment grade rating (BBB-, or its respective equivalents for the time being, or better) to a non-investment grade rating (BB+, or their respective equivalents for the time being, or worse) or (z) if the rating previously assigned to the 2037 Bonds by any Rating Agency was below an investment grade rating (as described above), lowered by at least one full rating notch (for example, from BB+ to BB or their respective equivalents), provided that (i) a Rating Downgrade otherwise arising by virtue of a particular change in rating shall be deemed not to have occurred in respect of a particular Change of Control or Potential Change of Control, as the case may be, if the Rating Agency making the change in rating does not publicly announce or publicly confirm that the reduction was the result of the Change of Control or the Potential Change of Control, as the case may be, and (ii) any Rating Downgrade has to be confirmed in a letter, or other form of written communication, sent to the Issuer and publicly disclosed.

“Potential Change of Control” means any public announcement or statement by the Issuer, any actual or potential bidder relating to any potential Change of Control of the Issuer.

Promptly upon the Issuer becoming aware that a Put Event has occurred, the Issuer shall give notice (a **“Put Event Notice”**) to the 2037 Bondholders in accordance with Condition 11 specifying the nature of the Put Event and the circumstances giving rise to it and the procedure for exercising the Put Option contained in this Condition 7.

To exercise the Put Option to require redemption or, as the case may be, purchase of a 2037 Bond under this Condition 7, the holder of that 2037 Bond must transfer or cause to be transferred by its Account Holder its 2037 Bonds to be so redeemed or purchased to the account of the Fiscal Agent specified in the Put Option Notice for the account of the Issuer within the period (the **“Put Period”**) of 45 calendar days after the Put Event Notice is given together with a duly signed and completed notice of exercise in the form (for the time being current) obtainable from the specified office of any Paying Agent (a **“Put Option Notice”**) and in which the holder may specify a bank account to which payment is to be made under this Condition 7.

The Issuer shall redeem or, at the option of the Issuer procure the purchase of, the 2037 Bonds in respect of which the Put Option has been validly exercised as provided above, and subject to the transfer of such 2037 Bonds the account of the Fiscal Agent for the account of the Issuer as described above on the date which is the fifth Business Day following the end of the Put Period (the **“Optional Redemption Date”**). Payment in respect of any 2037 Bond so transferred will be made in euros to the holder to the specified euros-denominated bank account in the Put Option Notice on the Optional Redemption Date via the relevant Account Holders.

8 Taxation

(a) Tax Exemption for the 2037 Bonds

All payments of principal, interest and other revenues by or on behalf of the Issuer in respect of the 2037 Bonds shall be made free and clear of, and without withholding or deduction for, any taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by or within France or any authority therein or thereof having power to tax, unless such withholding or deduction is required by law.

(b) Additional Amounts

If French law should require that payments of principal, interest and other revenues in respect of any 2037 Bond be subject to deduction or withholding in respect of any present or future taxes, duties, assessments or other governmental charges of whatever nature imposed or levied by or on behalf of the French Republic or any authority therein or thereof having power to tax, the Issuer shall, to the fullest extent then permitted by law, pay such additional amounts as may be necessary in order that the holder of each 2037 Bond, after such deduction or withholding, will receive the full amount then due and payable thereon in the absence of such withholding, except that no such additional amounts shall be

payable with respect to any 2037 Bond to, or on behalf of, a holder (or beneficial owner (*ayant droit*)) who is subject to such taxes, duties, assessments or governmental charges in respect of such 2037 Bond by reason of his having some connection with the French Republic other than the mere holding of such 2037 Bond.

Any references in these Conditions to principal and interest in respect of the 2037 Bonds shall be deemed also to refer to any additional amounts which may be payable under the provisions of this Condition 8(b).

9 Events of Default

If any of the following events (each, an “**Event of Default**”) occurs:

- (a) any amount of principal of, or interest on, any 2037 Bond is not paid on the due date thereof and such default is not remedied within a period of 15 calendar days from such due date; or
- (b) any other obligation of the Issuer under the 2037 Bonds is not complied with or performed within the period of 30 calendar days after receipt by the Fiscal Agent and the Issuer of written notice of such default given by the Representative (as defined in Condition 10 below); or
- (c) in the event of default by the Issuer in the payment of the principal, interest or premium in respect of any Relevant Debt (as defined in Condition 3) or in respect of any guarantee by the Issuer of Relevant Debt of others, when and as the same shall become due and payable, if such default shall continue for more than the grace period, if any, applicable thereto, or in the event that any Relevant Debt of the Issuer shall have become repayable before the due date thereof as a result of acceleration of maturity caused by the occurrence of any event of default thereunder and shall not have been repaid or in the event that any such guarantee shall have been called and is not paid, it being understood for the purpose of this paragraph that, to the extent the Issuer contests in good faith that such Relevant Debt is due or that such guarantee is callable, no such event shall be deemed to have occurred until a competent court renders a final judgement that such Relevant Debt is due or that such guarantee is callable, provided that the aggregate amount of the Relevant Debt or guarantees in respect of which one or more of the events mentioned in this Condition 9 (c) have occurred equals or exceeds EUR 200,000,000 or its equivalent in other currencies; or
- (d) if the Issuer makes any proposal for a general moratorium in relation to its debt or a judgement is issued for the judicial liquidation (*liquidation judiciaire*) or for a judicial transfer of the whole of the business (*cession totale de l'entreprise*) of the Issuer or, to the extent permitted by applicable law, if the Issuer is subject to any other insolvency or bankruptcy proceedings or the Issuer makes any judicial conveyance, assignment or other judicial arrangement for the benefit of its creditors or enters into a composition (*accord amiable*) with its creditors, provided that an event of default shall also occur under this paragraph (d) with respect to one or more Principal Subsidiaries (as defined below) if after excluding the value of the securities of one or more Principal Subsidiaries subject to proceedings of the type described in this paragraph (d) the total shareholders' equity appearing in the latest audited financial statements (*comptes individuels*) of the Issuer would become less than 66 per cent. of the total shareholders' equity appearing in such audited financial statements before such exclusion.

For the purposes of this paragraph (d):

- (i) “**Principal Subsidiary**” means at any time relevant a Subsidiary of the Issuer:
 - (a) whose total fixed assets or operating income (or, where the Subsidiary in question prepares consolidated accounts, whose total consolidated fixed assets or consolidated operating income, as the case may be), attributable to the Issuer represent not less than 15 per cent. of the total consolidated fixed assets or the consolidated operating income, as the case may

be, of the Issuer, all as calculated by reference to the then latest audited accounts (or consolidated accounts, as the case may be) of such Subsidiary and the then latest audited consolidated accounts of the Issuer and its consolidated Subsidiaries; or

- (e) the Issuer ceases to carry on all or a material part of its business, except for the purposes of and followed by a merger or a reorganisation (*cession, scission* or *apport partiel d'actifs*) pursuant to which the surviving company assumes all of the obligations of the Issuer with respect to the 2037 Bonds. For the purpose of this paragraph (e), a part of the Issuer's business will be deemed material if the operating income (or, where the business in question is operated by one or more Subsidiaries which prepare consolidated financial statements, the total operating consolidated income) attributable to such business represents 50 per cent. or more of the total consolidated operating income of the Issuer, all as calculated by reference to the then latest audited financial statements (or consolidated financial statements, as the case may be) relating to the business in question and the then latest audited consolidated financial statements of the Issuer;

then each 2037 Bondholder acting through the Representative (as defined in Condition 10) may upon written notice to the Fiscal Agent given on behalf of the 2037 Bondholders before all defaults shall have been cured, cause the 2037 Bonds to become immediately due and payable, whereupon they shall become immediately due and payable at their principal amount together with any accrued interest thereon without further formality.

10 Representation of the 2037 Bondholders

(a) The *Masse*

The 2037 Bondholders will be grouped automatically for the defense of their common interests in a single *masse* (hereinafter referred to as the “*Masse*”).

The *Masse* will be governed by the provisions of the Code (as defined in Condition 9) (with the exception of the provisions of Articles L.228-48, L.228-59, L.228-65 I. 1°, L.228-65 II, L.228-71, R.228-69, R.228-72 and R.228-78 thereof) and subject to the following provisions.

(b) Legal personality

The *Masse* will be a separate legal entity, by virtue of Article L.228-46 of the Code, acting in part through a representative (the “**Representative**”) and in part through collective decisions of the 2037 Bondholders (the “**Collective Decisions**”).

The *Masse* alone, to the exclusion of all individual 2037 Bondholders, shall exercise the common rights, actions and benefits which now or in the future may accrue with respect to the 2037 Bonds.

(c) Representative

The name and address of the Representative of the *Masse* are the following:

Association de représentation des masses de titulaires de valeurs mobilières

Centre Jacques Ferronnière
32, rue du Champ de Tir
CS 30812
44308 Nantes cedex 3
France

Internet: www.asso-masse.com

Email: service@asso-masse.com

In the event of dissolution, resignation or revocation of appointment of the Representative, an alternate representative will be elected by way of a Collective Decision.

The Representative will receive a remuneration of €4,500 (VAT excluded) payable upfront on or about the Issue Date.

All interested parties will at all times have the right to obtain the name and the address of the Representative at the head office of the Issuer and at the offices of any of the Paying Agents.

(d) Powers of the Representative

The Representative shall, in the absence of any Collective Decision to the contrary, have the power to take all acts of management to defend the common interests of the 2037 Bondholders.

All legal proceedings against the 2037 Bondholders or initiated by them in order to be justifiable, must be brought against the Representative or by him, and any legal proceedings which shall not be brought in accordance with this provision shall not be legally valid.

The Representative may not interfere in the management of the affairs of the Issuer.

(e) Collective Decisions

Collective Decisions are adopted either in a general assembly (a “**General Assembly**”) or by consent following a written consultation (the “**Written Resolution**”, as defined in Condition 10(h)).

In accordance with Article R.228-71 of the Code, the rights of each 2037 Bondholder to participate in Collective Decisions will be evidenced by the entries in the books of the relevant Account Holder of the name of such 2037 Bondholder on the second business day in Paris preceding the date set for the meeting of the relevant Collective Decision at 0:00, Paris time.

The Issuer shall hold a register of the Collective Decisions and shall make it available, upon request, to any subsequent holder of the 2037 Bonds.

(f) General Assemblies

General Assemblies may be held at any time, by convening either by the board of directors of the Issuer or by the Representative, the person convening the General Assembly being also responsible for the determination of its agenda. One or more 2037 Bondholders, holding together at least one-thirtieth of outstanding 2037 Bonds may address to the Issuer and the Representative a demand for convening the General Assembly; if such General Assembly has not been convened within two months from such demand, such 2037 Bondholders may commission one of themselves to petition the competent court in Paris to appoint an agent (*mandataire*) who will call the meeting. One or more 2037 Bondholders may also under the same conditions, require the addition to the agenda of a General Assembly of proposed resolutions.

Notice of the date, hour, place, agenda and quorum requirements of any General Assembly will be published as provided under Condition 11 not less than 15 calendar days on first call, and not less than 6 calendar days on second call, prior to the date of the General Assembly.

Each 2037 Bondholder has the right to participate in General Assemblies in person, by proxy, correspondence or videoconference or any other means of telecommunications allowing the identification of the participating 2037 Bondholders as provided *mutatis mutandis* by Article R.223-20-1 of the Code.

Each 2037 Bond carries the right to one vote.

(g) Powers of General Assemblies

A General Assembly is empowered to deliberate on the fixing of the remuneration of the Representative and on his dismissal and replacement, and also may act with respect to any other matter that relates to the common rights, actions and benefits which now or in the future may accrue with respect to the 2037 Bonds, including authorizing the Representative to act as law as plaintiff or defendant.

General Assemblies may deliberate validly at the first convening only if 2037 Bondholders present or represented hold at least a fifth of the principal amount of the 2037 Bonds then outstanding. At the second convening, no quorum shall be required. Decisions at General Assemblies shall be taken by a simple majority of votes cast by the 2037 Bondholders attending such meeting or represented thereat.

- (h) Written Resolutions:** Pursuant to Article L.228-46-1 of the Code, the Issuer shall be entitled *in lieu* of the holding of a General Assembly to seek approval of a resolution from the 2037 Bondholders by way of a Written Resolution. Subject to the following sentence a Written Resolution may be contained in one document or in several documents in like form, each signed by or on behalf of one or more of the 2037 Bondholders. Pursuant to Articles L.228-46-1 and R.225-97 of the Code approval of a Written Resolution may also be given by way of electronic communication allowing the identification of 2037 Bondholders (“**Electronic Consent**”).

Notice seeking the approval of a Written Resolution (including by way of Electronic Consent) will be published as provided under Condition 11 not less than 15 calendar days prior to the date fixed for the passing of such Written Resolution (the “**Written Resolution Date**”). Notices seeking the approval of a Written Resolution will contain the conditions of form and time-limits to be complied with by the 2037 Bondholders who wish to express their approval or rejection of such proposed Written Resolution. 2037 Bondholders expressing their approval or rejection before the Written Resolution Date will undertake not to dispose of their 2037 Bonds until after the Written Resolution Date.

For the purpose hereof, a “**Written Resolution**” means a resolution in writing signed by the 2037 Bondholders of not less than 80 per cent. in nominal amount of the 2037 Bonds outstanding.

(i) Notice of decisions

Decisions of the General Assemblies and Written Resolutions must be published in accordance with the provisions set out in Condition 11 not more than 90 calendar days from the date thereof.

(j) Information to the 2037 Bondholders

Each 2037 Bondholder or representative thereof will have the right, during the 15 calendar day period preceding the holding of each General Assembly, to consult or make a copy of the text of the resolutions which will be proposed and of the reports which will be presented thereat, which will be available for inspection at the offices of the Issuer and of the Paying Agents and at any other place specified in the notice of General Assembly during normal business hours.

(k) Expenses

The Issuer will pay all reasonable expenses incurred in the operation of the *Masse*, including expenses relating to the calling and holding of General Assemblies, the seeking of a Written Resolution and the expenses which arise by virtue of the remuneration of the Representative, and more generally all administrative expenses resolved upon by a General Assembly or a Written Resolution, it being expressly stipulated that no expenses may be imputed against interest payable on the 2037 Bonds.

(l) Single Masse

In the event of the consolidation of the 2037 Bonds with further issues of 2037 Bonds giving identical rights to 2037 Bondholders and if the terms and conditions of such 2037 Bonds so permit, the 2037 Bondholders of all such issues shall be grouped together in a single *Masse*.

(m) Sole 2037 Bondholder

If and for so long as the 2037 Bonds are held by a sole 2037 Bondholder, such sole 2037 Bondholder shall exercise all the powers, rights and obligations entrusted with the Representative and the Collective Decisions by the provisions of this Condition 10, as appropriate. The Issuer shall hold a register of the decisions the sole 2037 Bondholder will have taken in such capacity and shall make them available, upon request, to any subsequent holder of all or part of the 2037 Bonds.

11 Notices

Any notice to the 2037 Bondholders shall be valid if delivered to Euroclear France, Euroclear and Clearstream and published on the website of the Issuer (www.bouygues.com). Any such notice shall be deemed to have been given on the date of delivery to Euroclear France, Euroclear and Clearstream or, where relevant and if later, such publication or, if published more than once or on different dates, on the first date on which such publication is made.

12 Prescription

Claims against the Issuer for the payment of principal and interest in respect of the 2037 Bonds shall be prescribed 10 years (in the case of principal) and 5 years (in the case of interest) from the due date for payment thereof.

13 Further Issues

The Issuer may from time to time without the consent of the 2037 Bondholders issue further bonds to be assimilated (*assimilables*) with the 2037 Bonds as regards their financial service, provided that such bonds and the 2037 Bonds shall carry rights identical in all respects (or in all respects except for the first payment of interest thereon) and that the terms of such further bonds shall provide for such assimilation. In the event of such assimilation, the 2037 Bondholders and the holders of any assimilated (*assimilables*) bonds will for the defense of their common interest be grouped in a single *Masse* having legal personality.

14 Governing Law and Jurisdiction

The 2037 Bonds are governed by and construed in accordance with French law.

Any suit, action, or proceeding against the Issuer in connection with the 2037 Bonds may be brought in any competent court located in the jurisdiction of the Paris *Cour d'Appel*.

USE OF PROCEEDS AND ESTIMATED NET AMOUNT

The estimated net proceeds of the issue of the Bonds will amount to €1,983,860,000 and will be used by the Issuer for (i) the refinancing of the term loan facility entered into, among others, with Crédit Agricole Corporate and Investment Bank, Natixis, Société Générale, Banco Santander, S.A., BNP Paribas, Crédit Industriel et Commercial S.A., La Banque Postale, Banco Bilbao Vizcaya Argentaria, S.A., CaixaBank, S.A., Commerzbank Aktiengesellschaft, MUFG Bank AG, NatWest Markets N.V., SMBC Bank International plc and UniCredit Bank AG, in the context of the Acquisition and (ii) for general corporate purposes.

FIRST-QUARTER 2022 RESULTS

- **GROUP SALES UP 6%**
- **BACKLOG IN THE CONSTRUCTION AND SERVICES BUSINESSES UP 4%**
- **SOLID COMMERCIAL PERFORMANCE AT BOUYGUES TELECOM**
- **PLANNED ACQUISITION OF EQUANS AND PROPOSED TF1-M6 MERGER ON SCHEDULE**
- **LOW NET DEBT LEVEL**

The Bouygues Board of Directors, chaired by Martin Bouygues, met on 11 May 2022 and finalized the financial statements for the first quarter of 2022.

Net profit/(loss) attributable to the Group	(131)	21	-152

(a) Up 3% like-for-like and at constant exchange rates.

(b) Including net non-current charges of €16m.

(c) Including net non-current income of €56m.

Like each year, the Group's first-quarter results are not indicative of full-year performance, mainly due to the highly seasonal nature of Colas' businesses.

- **Sales** totalled €8.2 billion, up 6%, or up 3% like-for-like and at constant exchange rates.
- The **current operating loss** was stable versus the first quarter of 2021 at €77 million. The **current operating margin** was -0.9% in the first quarter of 2022 (versus -1.0% in the first quarter of 2021).
- The **operating loss** was €93 million, which includes net non-current charges of €16 million unrelated to underlying business. These net non-current charges include essentially a capital gain linked to the sale of data centers by Bouygues Telecom (+€5 million) and costs related to ongoing projects (Equans acquisition and TF1-M6 merger) of -€5 million at Bouygues Construction, -€3 million at TF1 and -€13 million at Bouygues SA. Net non-current income of €56 million was reported for first quarter of 2021, resulting mainly from the capital gain on the sale of data centers by Bouygues Telecom.
- Bouygues reported a **net loss attributable to the Group** of €131 million, which does not include any contribution from Alstom. First quarter 2021 benefited from a €120 million contribution from Alstom.

- **Net debt** was €2,111 million at end-March 2022 versus €2,643 million at end-March 2021, marking an improvement of €532 million. It notably included the fair value of pre-hedging interest-rate swaps linked to future bond issues. **Net gearing**¹ remained low for a first quarter at 16% (versus 22% at 31 March 2021).

OUTLOOK FOR 2022

The Group announced the following guidance when reporting full-year 2021 results on 24 February 2022:

Bouygues Telecom

- **Growth in sales from services** estimated at **around 5%**.
- **Increase in EBITDA after Leases** of **around 7%** in a context of higher expenditure due to the faster roll-out in fixed and improvements to mobile network capacity.
- **Gross capex confirmed at €1.5 billion** (excluding 5G frequencies) in order to keep pace with growth in the mobile and fixed customer base, and in usage.

Group

*In 2022, the Group is expecting a further **increase in sales and current operating profit** versus 2021. After endorsement of Colas' greenhouse gas emissions reduction targets in 2021, the other business segments are now aiming to receive SBTi² endorsement of their decarbonization plans.*

The above outlook is based on information known to date and excludes any further deterioration in the situation due to Covid-19, the acquisition of Equans and the TF1-M6 merger.

The Group remains very vigilant regarding the indirect consequences of the conflict between Russia and Ukraine. This outlook is subject to no further major deterioration of the current macroeconomic and geopolitical situation.

DETAILED ANALYSIS BY SECTOR OF ACTIVITY

CONSTRUCTION AND SERVICES BUSINESSES

The backlog in the **construction and services businesses** at end-March 2022 rose 4% to €34.6 billion, a high level that provides good visibility on future activity. This amount compares to the end-March 2021 backlog of €33.4 billion (at constant exchange rates and excluding principal disposals and acquisitions, the backlog was down 1%). International markets accounted for 65% of the backlog of **Bouygues Construction** and **Colas** at end-March 2022, up 3 points versus end-March 2021.

The backlog at Colas rose to a record €12 billion, up 22%³ year-on-year. This was driven by Destia's backlog and a solid commercial performance in the roads activities, in particular in France, Canada and the US, and in international rail activities. In the first quarter of 2022, Colas notably won the contract to build the first phase of Line 4 of the Cairo metro in Egypt (€650 million contract, of which €159 million was for Colas Rail).

The backlog at Bouygues Construction at end-March 2022 (€20.8 billion) was stable versus end-December 2021. Order intake at Bouygues Construction in the first quarter of 2022 rose by 8% year-on-year, driven by international markets and the normal course of business. The backlog was nonetheless 3% lower than end-March 2021 due to a lower level of major contracts booked in the past year.

¹ Net debt/shareholders' equity.

² Science Based Target initiative.

³ Up 12% at constant exchange rates and excluding principal disposals and acquisitions.

In a French residential property market still marked by strong customer demand, **Bouygues Immobilier** continued strengthening its land management, and benefited from a higher volume of building permits obtained in the first quarter, which have not yet translated into new housing units for sale. Commercial property customers remained cautious. Bouygues Immobilier's backlog was down 13% overall versus end-March 2021. Reservations were down 11% over the same period.

The construction and services businesses reported sales of €5.9 billion in the first quarter of 2022, representing a 7% increase year-on-year (up 3% like-for-like and at constant exchange rates). This increase was driven by international sales, up 11% year-on-year, thanks to Colas and positive exchange rate effects.

Like each year, the current operating profit of the construction and services businesses is marked by the highly seasonal nature of Colas' businesses. The current operating loss was €208 million in the first quarter of 2022. The current operating margin was -3.6% versus -3.5% in the first quarter of 2021. Bouygues Construction's margin was slightly higher due to improved margin at Bouygues Energies & Services, while Bouygues Immobilier's margin was impacted by a weak level of business, especially in commercial property (contribution in sales from commercial property of €13 million in the first quarter of 2022 versus €45 million in the first quarter of 2021).

TF1

In the first quarter of 2022, the TF1 group's share of target audiences remained high at 33.1% among FRDA⁴ (down 0.6 points year-on-year) and at 29.8% among the 25-49 age group (down 0.6 points year-on-year).

In this context, **TF1** reported sales of €561 million in the first quarter of 2022, an increase of 10% year-on-year (up 7% like-for-like and at constant exchange rates), benefiting from:

- Stronger sales in the media segment, reflecting higher advertising revenue (up 5%), and helped by the gradual return of business sectors that were still impacted by the pandemic in 2021.
- Robust sales growth at Newen, arising primarily from the acquisitions of studios in Spain and Germany in 2021.

Current operating profit was €60 million in the first quarter of 2022, a slight increase of €3 million year-on-year. This can be attributed to tight control of programming costs but also lower programme deliveries by Newen in the first quarter of 2022 due to a different programme delivery schedule from the first quarter of 2021, which was boosted by a catch-up effect. Consequently, the current operating margin edged down to 10.6%, which was 0.5 points lower year-on-year.

Keeping pace with changing trends in content viewing behavior, and the wider range of services for advertiser customers will contribute this year to strengthening the media segment, which is benefiting from sharp growth in new types of service. In a buoyant market, the contribution from Newen Studios to TF1's operating margin will remain accretive in 2022.

At end-March 2022, TF1 considers that it was not directly impacted by the war between Russia and Ukraine. However, the development of the conflict could have an impact on the European economy and therefore indirectly on its business. As it demonstrated in 2020 and 2021, TF1 will be watchful as to the costs incurred and will adapt, all the while benefitting from solid growth drivers.

BOUYGUES TELECOM

Bouygues Telecom reported a solid commercial performance in the first quarter of 2022, in both mobile and fixed.

At end-March 2022, mobile plan customers excluding MtoM were 14.9 million, thanks to the gain of 97 thousand new customers in the first quarter.

In fixed, the company had 2.5 million FTTH customers at end-March 2022, thanks to 172 thousand new adds over the quarter. 55% of fixed customers now subscribe to an FTTH offer versus 42% a year earlier. The fixed customer base totalled 4.5 million customers, with 52 thousand new adds in the first quarter of 2022. The rate of fiber roll-out continued to accelerate. The number of FTTH premises marketed was 25.7 million at end-March 2022, versus 24.3 million at end-2021, in line with the Ambition 2026 strategic plan. As part of its innovation strategy, which includes offering state-of-the-art WiFi to customers, Bouygues Telecom became the first operator to announce WiFi 6E in France. The official launch was on 25 April 2022. Bouygues Telecom was awarded the number 1 spot for the quality of its WiFi in France in 2021 by the nPerf⁵ survey. Lastly, the Bbox Ultym fiber offer was enhanced by a new TV decoder.

Reflecting this strong commercial momentum, sales were €1.8 billion, up 3% versus the first quarter of 2021. Sales from services rose 3%, boosted by a 6% increase in sales billed to customers. This was driven by growth in the mobile and fixed customer base and higher ABPU⁶ (mobile ABPU, restated for the impact of roaming, rose €0.3 year-on-year to €19.7 per customer per month, while fixed ABPU rose €0.6 year-on-year to €28.6 per customer per month). In contrast, sales from services were negatively impacted by lower incoming sales, affected by traffic (voice and text messaging) and by the mobile regulated termination rate. However, these incoming sales, by definition, have no impact on EBITDA after Leases.

Other sales rose 4% year-on-year, lifted by growth in handset sales.

EBITDA after Leases was €354 million, up €24 million versus the first quarter of 2021, a 7% increase in line with the annual target. As expected, the EBITDA after Leases margin recovered versus the first quarter of 2021 (up 1.1 points), on track for the steady margin improvement of the Ambition 2026 plan.

Current operating profit totalled €87 million, up €11 million year-on-year.

Operating profit was €92 million, which includes net non-current income of €5 million mainly linked to capital gains related to the sale of data centers. In the first quarter of 2021, net non-current income was €60 million, mostly due to capital gains on the sale of data centers.

Gross capex at end-March 2022 was €508 million, up €129 million year-on-year. Bouygues Telecom accelerated part of its annual investment program in the first quarter to secure the roll-out and improved quality of its 4G, 5G and fiber networks. This has no impact on the annual gross capex target. Disposals, linked to the sale of data centers, totalled €16 million in the first quarter of 2022 versus €110 million in the first quarter of 2021.

FINANCIAL SITUATION

The Group has a very robust financial structure.

- The Group remained at a very high level of **available cash**, amounting to €18.6 billion (€20.4 billion at end-2021), comprising cash and equivalents (€4.7 billion) supplemented by undrawn medium- and long-term credit facilities (€13.9 billion, of which €6 billion corresponds to a syndicated loan signed in December 2021 for the acquisition of Equans).
- **Net debt** at end-March 2022 was €2,111 million versus €941 million at end-December 2021 and €2,643 million at end-March 2021. The increase between end-December and end-March reflects the usual seasonal nature of business, higher net capex at Bouygues Telecom, share buybacks and positive fair-value on interest-rate swaps contracted to cover future bond issues by Bouygues SA.
- **Net gearing**⁷ remained low at 16% (versus 7% at end-December 2021 and 22% at end-March 2021).

Considering the bond refinancing due in 2023, and the syndicated loan for the Equans acquisition to be refinanced through bond issuances, Bouygues SA took out interest-rate swaps with banking counterparties in July 2021, and between November 2021 and January 2022, to lock-in interest rates, and thereby protect itself against a possible rise in rates. The market value of these swaps (€439 million at 31 March 2022 versus €39 million at 31 December 2021) is booked as an asset in the balance sheet under “Financial instruments – Hedging of debt”, with an offsetting entry on the liabilities side under “Shareholders’ equity”. A “Deferred Tax Liability” has also been recognised, with the debit entry recorded in “Shareholders’ equity”, to take account of the tax treatment that will apply when the swaps are closed out. The market value of the swaps, and hence their impact on the Group’s net debt, fluctuates accordingly with interest rate changes.

During the first quarter of 2022, Bouygues renewed its medium- and long-term credit facilities as they expired, without financial covenants or rating clauses. Similarly, the syndicated loan signed in December 2021 with 16 banks, for €6 billion, has no financial covenants or rating clauses. This loan has a maturity of two years starting from the completion of the Equans acquisition and will be refinanced through bond issuances.

At end-March 2022, the average maturity of the Group’s bonds was 5.5 years and the average coupon on the bonds was 2.10%. The debt maturity schedule is evenly spread and takes account of the €800-million bond issue repaid on 9 February 2022.

The long-term credit ratings assigned to the Group by Moody’s and Standard & Poor’s, unchanged since 10 November 2021, are A3, stable outlook, and A-, CreditWatch Negative, respectively.

NON-FINANCIAL PERFORMANCE

In the first quarter of 2022, each business segment continued actions to promote sustainable and responsible development through a varied range of initiatives and projects, such as:

- **Bouygues Construction**, a responsible and committed sustainable construction player, received in February the Top Employer France label from Top Employers Institute, an independent and international organization, for six years in a row, and the Top Employer Europe label for the fourth year, with additional certification for its entities in the UK, Switzerland, Poland and the Czech Republic. This certification recognizes for the initiatives implemented by Bouygues

⁷ Net debt/shareholders’ equity.

Construction over several years to provide the best possible working conditions for its employees through HR innovations. Bouygues Construction is the only construction company involved in the survey.

- **Bouygues Immobilier's** AL-FA residential development, situated at the heart of the "Les Fabriques" eco-neighbourhood in Marseille, will be constructed entirely with low-carbon concrete. Low-carbon concrete is produced from recycled materials and results in a 30-70% smaller carbon footprint compared with conventional concrete. The first wall was laid in January 2022.
- In January, **Colas** and Saipol signed an agreement to decarbonize Colas' truck fleet in France via Oleo100, a renewable energy fuel made from 100% French rapeseed. Not only does it reduce greenhouse-gas emissions by 60% compared to diesel, but it also cuts particulate emissions by up to 80%. Once fully rolled out, this initiative will avoid the emission of nearly 46,000 tons of CO₂ per year.
- In March, **TF1** unveiled the second session of "Expertes à la Une" as it strives towards a more inclusive society. Bringing together women experts from sectors such as health, medical research, justice, police, artificial intelligence and entrepreneurship, the programme aims to increase the proportion of women experts appearing on the TF1 and LCI news broadcasts. In 2021, the proportion of women experts consulted on air in the TF1 news studio (1pm, 8pm and weekend news) was 44%. Also, as announced in July 2021, TF1 launched in January 2022 the fully eco-friendly advertising fund "Ecofunding". Brands contribute to this fund every time they advertise products or services with the Ademe⁸ label. TF1 then tops up the fund, which is then used to finance public-service campaigns raising awareness about sustainability and responsible consumption.
- **Bouygues Telecom** has launched several initiatives since the start of the year, including a new rapid smartphone repair service in its stores – a service which is also available to non-Bouygues Telecom customers. It also unveiled *source*, the first responsible plan with no minimum term contract, aimed at encouraging digital sustainability. These are just two examples demonstrating how Bouygues Telecom is fostering a more responsible digital environment.
