## Equans appoints its Executive Committee

Following the completion of the acquisition of Equans by the Bouygues Group on October 4, and the transfer of the Bouygues Energies & Services and Kraftanlagen subsidiaries to Equans by Bouygues Construction, Jérôme Stubler, Chairman of Equans, announces the appointment of the new Group Executive Committee, effective February 1, 2023.

**Bruno Charrade**, in charge of the Americas (USA, Canada, Chile, Colombia and Peru).

**Mark Dirckx**, CEO of Equans Belgium and Luxembourg.

**Richard Dujardin**, in charge of Switzerland and the Netherlands.

**Ana Giros**, in charge of Strategy, Development and CSR as well as activities in Australia and New Zealand and Executive President of Equans Belgium.

**Pierre Hardouin**, CEO of Equans France.

**Olivier Hérout**, in charge of Human Resources and Health & Safety.

**Etienne Jacolin**, in charge of Finance, Legal and Information Systems.

**Thomas Jung**, in charge of Operational Excellence, Innovation and Purchasing.

**Florence Lépany-Duval**, in charge of Communications.

**Jean-Philippe Loiseau**, CEO of Equans UK and Ireland.

**Dominique Néel**, in charge of the Smart Buildings Division and the activities of Bouygues Energies & Services France.

**Stéphane Stoll**, in charge of Central Europe (Germany, Austria, Hungary, Italy, Czech Republic, Romania and Croatia) and the Data Centres and Energy BU of Bouygues Energies & Services.

Jérôme Stubler: "The new Equans is now set up, with the skills of the three companies complementing each other to meet our customers' needs even more effectively as we move towards a more decarbonised, digital and efficient world. We are a close-knit team that has worked exceptionally hard to build the new company organization so quickly. I would like to thank all the members of the Executive Committee for their commitment to the implementation and execution of our strategy and the strengthening of our performance culture."

## **About Equans**

Equans is a world leader in the energy and services sector, operating in 20 countries, with 95,000 employees\* working on 5 continents and an annual turnover of more than €17 billion\*\*.

Equans designs, installs, and delivers tailor-made solutions to improve its customers' equipment, systems and technical processes and optimize their use in the context of their energy, industrial and digital transitions. Thanks to a strong local footprint linked to its historical local brands and excellent technical know-how, Equans' highly qualified experts are able to support territories, cities, industries, and buildings in the fields of HVAC (Heating, Ventilation and Air Conditioning), Cooling and Fire Protection, Facility Management, Digital and ICT, Electrical, Mechanical and Robotics. Equans is a leader in the main European markets (France, Switzerland, Belgium, the Netherlands and the United Kingdom) and is also well-positioned in the United States and Latin America. Equans is a Bouygues Group company.
