

Making progress become reality

## BOUYGUES GROUP DONATES €1 MILLION TO SUPPORT THE VICTIMS OF THE EARTHQUAKE IN MOROCCO

PRESS RELEASE

PARIS

21/09/2023

The Bouygues group and its employees share fully in the grief felt at the devastating earthquake that struck Morocco on the night of Friday 8 to Saturday 9 September. We offer our most sincere condolences to the families and loved ones affected by this tragedy.

Bouygues is contributing to this humanitarian aid effort with a donation of €1 million to the special fund set up at the initiative of King Mohamed VI to deal with the impact of the earthquake that hit Morocco. The Group would like to show its support and solidarity to its employees and partners in the country, as well as to the non-profit and local players working to meet the needs of the local population.

This initiative comes on top of the donations and actions of the Group's subsidiaries in Morocco, such as clearing roads as well as collecting food and blood.

The Bouygues group has been present in the country for several decades and employs 3,600 people in its subsidiaries Bymaro (construction), Colas Maroc (GTR, Colas Rail, CDS) and Equans. Bouygues is a major player in construction and transport infrastructure, with projects such as the Great Mosque of Casablanca (1993), the Royal Mansour Hotel (2008), the Tangier Med port (2010), the Rabat-Salé tram line, the Tangier-Kenitra High Speed Rail Line (2018), the Casablanca Finance City Tower (2019), lines T3 and T4 of the Casablanca tram system (being built) and the Agadir Bus Rapid Transport Route (being built).

---
