Resolution 4 – Approval of regulated agreements

We ask you to approve the regulated agreements entered into and authorised by the Board of Directors in 2023 between Bouygues and:

- one of its corporate officers (Executive Officer, director);
- a company in which a corporate officer of Bouygues also holds a directorship;
- a shareholder holding more than 10% of the voting rights of Bouygues.

This approval is part of what is known as the regulated (or related-party) agreements procedure, which aims to prevent potential conflicts of interest.

In accordance with law, these agreements were approved by the Board of Directors prior to signature, the directors concerned having abstained from voting. The auditors' special report on regulated agreements is in chapter 7, section 7.3 of the 2023 Universal Registration Document. The agreements mentioned in the auditors' special report that were approved by general meetings in previous years do not have to be voted on again by this Annual General Meeting.

Shared service agreements between Bouygues and its subsidiaries

At its 30 October 2023 meeting, the Board of Directors authorised the renewal, for a period of one year starting 1 January 2024, of shared service agreements between Bouygues and its subsidiaries.

Shared service agreements are standard in groups of companies. They enable Bouygues, as the parent company of the Group, to provide its subsidiaries with services and expertise in areas such as management, human resources, information technology, legal affairs, finance, etc. Bouygues and its main subsidiaries sign annual agreements relating to these services, so that each business segment can request the services and expertise it needs.

The principle behind these agreements is based on rules for allocating and invoicing the cost of shared services, including specific services and a share of residual costs, up to a limit expressed as a percentage of sales of the subsidiary concerned. The share of residual costs is invoiced at cost plus a margin of 10% for high value-added services and 5% for low value-added services.

In 2023, Bouygues invoiced the following amounts under these shared service agreements:

- Colas: €17,757,826.10
- TF1: €2,764,436.28
- Bouygues Telecom: €9,873,164.32
- Equans: €22,833,167.47

Reciprocal service agreement between Bouygues and SCDM

At its 30 October 2023 meeting, the Board of Directors authorised the signature of a reciprocal service agreement between Bouygues and SCDM, for a period of one year starting 1 January 2024.

SCDM, a simplified limited company controlled by Martin Bouygues, Olivier Bouygues and their families, provides consultancy services in strategy, development, research and analysis into strategic developments and growth of the Bouygues group, major investments and divestments, and multi-year plans. SCDM has a team of specialists with extensive experience of mergers and acquisitions, and strategy.

For its part, Bouygues provides SCDM with specific assistance and support services, such as human resources management and information technology support.

Under the terms of this agreement, SCDM invoices Bouygues for costs actually incurred, subject to a cap of €2 million a year. This amount corresponds to the remuneration awarded to Martin Bouygues by the Board of Directors in respect of his office as corporate officer, including social security and tax charges. The remainder is for the salaries of the strategy and development team in respect of the aforementioned, services including social security and tax charges.

SCDM invoiced Bouygues €1.653 million in 2023.

Bouygues invoiced SCDM €0.48 million.

Amendment to the aircraft availability agreement between Bouygues and Airby

At its 30 October 2023 meeting, the Board of Directors authorised an amendment to the aircraft charter agreement between Bouygues and Airby with effect from 1 January 2024.

This aircraft charter agreement – entered into for an indefinite period between Bouygues and Airby (a company owned indirectly by Bouygues and SCDM) and including pilots and flight service fees – was approved by the Annual General Meeting on 26 April 2012, with prior authorisation by the Board of Directors on 15 November 2011.

This agreement enables senior executives and employees of Bouygues to call upon the services of Airby as needed for business travel purposes. Specifically, it makes it easier for them to travel to places inadequately served by commercial airlines, or to save time when making business trips to several locations in succession. The subsidiaries are charged by Airby on the same fee scale.

The price per flight hour is revised annually to reflect market prices.

Airby invoiced Bouygues €41,889 excluding VAT in respect of this agreement in 2023.

The overall price per flight hour for using the Airby aircraft was raised from €7,000 excluding VAT to €10,000 excluding VAT with effect from 1 January 2024 to reflect the higher operating costs. If the aircraft is unavailable, Airby will charter a replacement from a third party and charge the rental cost plus €1,000 excluding VAT (unchanged) as remuneration for the charter service provided.

Sale of C2S to Bouygues Telecom

At its 30 October 2023 meeting, the Board of Directors authorised the sale of all the shares in C2S to Bouygues Telecom.

C2S is a *Société par Actions Simplifiée* (simplified joint stock company) fully-owned by Bouygues, operating in the digital services sector and specialised in the digital transition, cloud systems and cybersecurity. Its 2023 sales excluding taxes totalled €34.6 million and it has 218 employees.

This transaction is aligned with Bouygues Telecom's strategy of expanding its range of cybersecurity and cloud services for businesses.

Resolution 18 – Authorisation for the company to buy back its own shares

As we do each year, we are asking you to renew the authorisation given to the Board of Directors that allows the company to repurchase its own shares as part of a share buyback programme.

Objectives authorised

This authorisation would cover the following objectives:

1. reduce the share capital by cancelling shares under the conditions laid down by law, subject to authorisation by the Extraordinary General Meeting;
2. fulfil the obligations arising from debt securities, in particular securities that grant the right to the allotment of company shares via redemption, conversion, exchange, presentation of a warrant or otherwise;
3. grant or sell shares to employees or corporate officers of the company or related companies, in particular as part of profit-sharing schemes, stock option plans, company savings schemes and Group savings schemes or through allotment of shares;
4. improve market liquidity and the regularity of listings of the company's equity securities and avoid price discrepancies not supported by market trends, by implementing a liquidity contract managed by an investment service provider acting in compliance with a market practice accepted by the AMF;
5. retain shares and, as the case may be, deliver them subsequently as a medium of payment or exchange in an acquisition, merger, spin-off or asset-for-share exchange, in accordance with applicable regulations;
6. implement any market practice accepted by the AMF and generally carry out any other transaction in compliance with applicable regulations.

The Board of Directors decided at its meeting of 26 February 2024 to restrict the objectives of the share buyback programme to points 1, 3, 4 and 6 above. The Board nonetheless reserved the right to extend the programme to include other objectives, in which case the company would inform the market.

In accordance with law, the share buybacks may be carried out at any time, including during the period of a public offer for the company's shares. It is important that the company should be able, even during the period of a public offer, to buy back its own shares with a view to achieving the objectives of the buyback programme.

In 2023, the following transactions in Bouygues shares took place:

- 5,407,324 shares were repurchased and 5,669,635 shares sold, through a service provider acting under the terms of a liquidity contract.
- 1,500,00 shares were repurchased with a view to their cancellation.
- 700,648 shares were repurchased with a view to their allotment.

The authorisation is granted subject to the following upper limits:

Ceilings

- 5% of the share capital;
- maximum repurchase price: €65 per share;
- maximum budget: €1.250 billion.

Duration of authorisation

Eighteen months.

(AUTHORISATION TO THE BOARD OF DIRECTORS TO TRADE IN THE COMPANY'S SHARES, FOR A PERIOD OF EIGHTEEN MONTHS)

The Annual General Meeting, having satisfied the quorum and majority requirements for ordinary general meetings pursuant to Article L. 22-10-62 of the Commercial Code, and having acquainted itself with the Board of Directors' report including its description of the share buyback programme:

shares. All or part of the programme may be carried out through block trades;

4. resolves that the maximum purchase price be set at €65 (sixty-five euros) per share, subject to any adjustments in connection with share capital transactions. Extraordinary General Meeting

Resolution 19 – Allows the Board to reduce the share capital by cancelling shares

Purpose of the authorisation

To allow the Board of Directors, if it deems fit, to reduce the share capital, on one or more occasions, by cancelling some or all of the shares acquired by the company pursuant to any share buyback authorisation given by the Annual General Meeting, particularly under resolution 18 submitted to this Annual General Meeting for approval.

Cancelling shares makes it possible, if the Board of Directors deems fit, to offset the dilution for shareholders resulting from the creation of new shares, for example shares issued under employee share ownership plans or on the exercise of stock options.

Ceiling

10% of the share capital in any 24-month period.

Duration of the authorisation

Eighteen months.

Nineteenth resolution

(AUTHORISATION TO THE BOARD OF DIRECTORS, FOR A PERIOD OF EIGHTEEN MONTHS, TO REDUCE THE SHARE CAPITAL BY CANCELLING SHARES HELD BY THE COMPANY)

The Annual General Meeting, having satisfied the quorum and majority requirements for extraordinary general meetings pursuant to Article L. 22-10-62 of the Commercial Code, and having acquainted itself with the Board of Directors' report and the auditors' report:

1. authorises the Board of Directors to cancel, at its sole discretion, on one or more occasions, some or all of the shares acquired by the company pursuant to any share buyback authorisations given by the Annual General Meeting to the Board of Directors, up to a limit in any twenty-four month period of 10% of the total number of shares making

up the company's share capital at the date of the cancellation of the shares concerned;

2. authorises the Board of Directors to charge the difference between the purchase value of the cancelled shares and their par value to all available share premium and reserve accounts;
3. delegates to the Board of Directors, with power to sub-delegate in accordance with law and regulations, full powers to carry out the capital reduction(s) resulting from cancellations of shares authorised by this resolution, to have the corresponding accounting entries made, to amend the articles of association accordingly, and generally to attend to all necessary formalities;
4. sets the period of validity of this authorisation, which voids and replaces any unused portion of any previous authorisation granted for the same purpose, at eighteen months from the date of this meeting.

Resolution 20 – Allows the Board to increase the share capital for the benefit of employees or corporate officers who are members of a company savings scheme

Purpose of the delegation of competence

To delegate to the Board of Directors the competence to increase the share capital for the benefit of employees or corporate officers of Bouygues (and of French or foreign companies related to Bouygues) who are members of a company and/or Group savings scheme, with cancellation of shareholders' pre-emptive rights in favour of the employees and corporate officers for whom the capital increase is reserved.

Bouygues is convinced that it is important to enable employees who so wish to become shareholders in the company. Employee savings schemes and reserved capital increases give employees an opportunity to build up their savings and give them a direct stake and role in the orderly running of the Group, which helps to increase their commitment

and motivation. For that reason, the company has implemented a dynamic employee share ownership policy.

As of 31 December 2023, the leveraged funds set up in association with the employee share ownership plans held 21.9% of the share capital and 30.8% of the voting rights.

Setting the subscription price

In accordance with the Labour Code, the subscription price for the new shares may not be more than the average of the quoted prices for the share on the Euronext Paris market during the twenty trading days preceding the date of the decision setting the opening date for subscriptions, or more than the maximum legally stipulated percentage below that average.

Ceiling

Capital increase: 5% of the share capital.

Duration of the delegation of competence

Twenty-six months.

The Annual General Meeting, having satisfied the quorum and majority requirements for extraordinary general meetings and having acquainted itself with the Board of Directors' report and the auditors' special report, and in accordance with the provisions of (i) the Commercial Code and in particular Articles L. 225-129-2, L. 225-129-6 (paragraph 1), L. 225-138-1 and L. 22-10-49 et seq of the Commercial Code, and (ii) Articles L. 3332-1 et seq of the Labour Code:

5. resolves, in accordance with the provisions of Article L. 3332-21 of the Labour Code, that the Board of Directors may provide for the allotment, free of charge, to the beneficiaries set out in the first paragraph above, of shares to be issued or existing shares or other securities giving access to the company's share capital to be issued or already issued, as a (i) top-up contribution that may be paid in accordance with the regulations of company or Group savings schemes, and/or (ii) discount;
6. delegates full powers to the Board of Directors, with power to sub-delegate in accordance with law and regulations, to:
 - a) set the date and terms and conditions of the issues to be made pursuant to this resolution and in particular, decide whether the shares shall be subscribed directly or through a mutual fund or through another entity in accordance with applicable law; decide and set the terms for issuing other securities giving access to the capital, pursuant to the delegation given in point 1 above; set the issue price of the new shares to be issued in compliance with the above rules; set opening and closing dates for subscriptions and the dates of first entitlement to dividends; set the payment period, subject to a maximum period of three years; and set, where appropriate, the maximum number of shares that can be subscribed per employee and per issue,

Resolution 21 – Allows the Board to allot shares free of charge to employees or corporate officers

In 2021, the Group implemented an annual performance share plan aimed at incentivising employees in line with the performance of the company.

In order to maintain this policy for the allotment of shares free of charge, we are asking you to renew the existing authorisation. The characteristics of that package are described in section 2.4.1 of the 2023 Universal Registration Document.

How allotments of shares free of charge work

If this authorisation is used, the beneficiaries will not acquire ownership of the shares until the end of a minimum vesting period set by the Annual General Meeting, which may not be less than one year.

The vesting period may then be followed by a lock-up period set by the Board, during which the beneficiaries may not sell their shares. The cumulative length of the vesting period and any lock-up period may not be less than two years. The law allows exemptions to the vesting and lock-up periods in the event of death or disability.

The Board may, on a proposal from the Selection and Remuneration Committee, make allotments of shares free of charge wholly or partially contingent on one or more performance conditions.

Ceilings

1% of the share capital.

Shares allotted free of charge to the Executive Officers of Bouygues throughout the duration of this authorisation may not represent more than 0.15% of the share capital in total.

Duration of the authorisation

Twenty-six months.

Twenty-first resolution

The Annual General Meeting, having satisfied the quorum and majority requirements for extraordinary general meetings, having acquainted itself with the Board of the Directors' report and the auditors' special report, and in accordance with Articles L. 225-129 et seq, L. 225-197-1 et seq and L. 22-10-59 et seq of the Commercial Code:

1. authorises the Board of Directors to allot free of charge, on one or more occasions, existing or new shares in the company to the beneficiaries indicated below;
2. resolves that the beneficiaries of those shares, whom the Board of Directors shall designate, may include all or certain categories of salaried employees and/or all or certain corporate officers of Bouygues or of companies and economic interest groupings that are related to Bouygues within the meaning of Article L. 225-197-2 of the Commercial Code;
3. resolves that under this authorisation, the Board of Directors may allot a total number of shares representing up to 1% of the existing share capital of the company (on the day of the Board of Directors' decision), with the caveat that:
 - a) this ceiling is set without taking account of the statutory, regulatory and any applicable contractual adjustments required to protect the rights of beneficiaries, and
 - b) the total number of shares allotted free of charge may not exceed 10% of the share capital on the day the Board of Directors decides on their allotment, with the caveat that, pursuant to Article L. 225-197-1 of the Commercial Code, shares that are not allotted definitively at the end of the vesting period and that are no longer subject to the lock-up period set by the Board, shall not be taken into account in this percentage;
4. resolves in particular that the total number of shares allotted free of charge to Executive Officers of the company pursuant to this authorisation shall not represent more than 0.15% of the company's share capital on the day of the Board of Directors' decision;

6. resolves that the Board of Directors may also set a minimum lock-up period for beneficiaries, starting from the date on which the shares are definitively allotted;
7. stipulates that, in accordance with law, the cumulative length of the vesting period and any lock-up period may not be less than two years;
8. resolves that shares allotted free of charge shall be allotted immediately, prior to the end of the vesting period, in the event of a category two or three disability suffered by the beneficiary as defined in Article L. 341-4 of the Social Security Code, in which case the lock-up period shall also end immediately;
9. authorises the Board of Directors to use existing or future authorisations granted by the Annual General Meeting, in accordance with the provisions of Article L. 22-10-62 of the Commercial Code;
10. notes that this authorisation entails the automatic waiver by shareholders of their pre-emptive rights to subscribe for ordinary shares issued as and when the shares are definitively allotted, and of any entitlement to ordinary shares allotted free of charge under this authorisation, in favour of the beneficiaries of the ordinary shares thereby allotted;
11. resolves that the Board of Directors shall have full powers to implement this authorisation in accordance with legal and regulatory requirements, and in particular to:
 - a) determine the conditions and any criteria for the allotment of new or existing shares, and draw up the list or categories of beneficiaries,

12. sets the period of validity of this authorisation at twenty-six months from the date of this meeting;
13. notes that this authorisation voids, from this day, any unused portion of any previous authorisation granted for the same purpose.

Resolution 22 – Allows the Board to issue equity warrants free of charge during the period of a public offer for the company's shares

Purpose of the delegation of competence

To delegate to the Board of Directors the competence to issue, if it deems fit, equity warrants during a public offer for the company's shares, with waiver of pre-emptive rights to the ordinary shares in the company to which those warrants would give entitlement.

This means that equity warrants giving entitlement to subscribe on preferential terms to Bouygues shares could be allotted free of charge to all existing shareholders prior to the expiry of an unsolicited public offer period.

This mechanism is designed to encourage the bidder to either withdraw its offer or make an improved offer for the company. Because warrants dilute the capital, a bidder will respond either by seeking to withdraw its offer, or by negotiating with the Board of Directors with a view to reaching a consensus on a fair valuation of the company such that the warrants would effectively lapse. Issuing equity warrants during the period of a public offer is a measure designed to prevent, or at the very least hinder, an attempted public offer. In particular, the Board of Directors can use warrants as a bargaining counter to encourage a bidder to improve the terms of its offer, in the interests of the company's shareholders.

However, the powers thereby granted to the Board of Directors are not unlimited. During the public offer period, the bidder and target company must ensure that their actions, decisions and statements do not compromise the best interests of the company, or the fair treatment and access to information of the shareholders of the companies concerned. In addition, if the Board of Directors of the target company makes a decision which is liable to frustrate the offer if implemented, it must inform the AMF (Article 231-7 of the AMF General Regulation).

This resolution must be decided on a simple majority of the votes cast.

Ceilings

Capital increase: €94,000,000 in nominal value or 25% of the share capital at 31 December 2023.

The number of equity warrants is capped at one-quarter of the number of existing shares and at 94,000,000.

Duration of the delegation of competence

Eighteen months.

Twenty-second resolution

(DELEGATION OF COMPETENCE TO THE BOARD OF DIRECTORS, FOR A PERIOD OF EIGHTEEN MONTHS, TO ISSUE EQUITY WARRANTS DURING THE PERIOD OF A PUBLIC OFFER FOR THE COMPANY'S SHARES, UP TO A LIMIT OF 25% OF THE SHARE CAPITAL)

The Annual General Meeting, in extraordinary session but having satisfied the quorum and majority requirements for ordinary general meetings, in accordance with the provisions of Article L. 233-32 II of the Commercial Code, and having acquainted itself with the Board of Directors' report and the auditors' report:

1. delegates to the Board of Directors its competence to issue on one or more occasions, during the period of a public offer for the company's shares, warrants giving entitlement to subscribe on preferential terms for one or more shares in the company, and to allot such warrants free of charge to all shareholders who hold shares in the company prior to expiry of the offer period. Such warrants will lapse automatically as soon as the offer and any other competing offer has failed, lapsed or been withdrawn;
2. resolves that the capital increase that may result from the exercise of such equity warrants may not exceed either (i) one-quarter of the number of shares comprising the share capital at the time the warrants are issued, or (ii) a nominal amount of €94,000,000 (ninety-four million euros), and that the maximum number of equity warrants that may be issued may not exceed one-quarter of the number of shares comprising the share capital at the time the warrants are issued and 94,000,000 (ninety-four million);
3. resolves that the Board of Directors shall have full powers, with power to sub-delegate in accordance with law and regulations, to determine the conditions of exercise of the equity warrants, which must relate to the terms of the offer or any other competing offer, and the other characteristics of the warrants, such as the exercise price or the terms for determining the exercise price, and more generally the characteristics and terms of any issue decided under this delegation;
4. notes that this delegation entails the waiver by shareholders of their pre-emptive rights to those ordinary shares in the company to which any warrants issued pursuant to this delegation may give entitlement;
5. sets the period of validity of this delegation, which voids and replaces any unused portion of any previous delegation granted for the same purpose, at eighteen months from the date of this meeting.

Resolution 23 – Powers to accomplish formalities

The purpose of this resolution is to enable all legal and administrative formalities, and all filings and publications, to be carried out.

Twenty-third resolution

(POWERS TO ACCOMPLISH FORMALITIES)

The Annual General Meeting, having satisfied the quorum and majority requirements for extraordinary general meetings, gives full powers to the bearer of an original, excerpt or copy of the minutes of this Annual General Meeting to accomplish all legal formalities and to make all necessary filings, publications and declarations stipulated by applicable legal and regulatory provisions.
